Faith Genser
Amy McCann, MSSA
Kalene Morozumi, MPH
Shirley Murphy
Mary Ellen Myers, RN, ACRN
Julia Och
Rachel Phillips
Julia Ryan
Cynthia Salopek

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of Allegheny General Hospital, AIDS Free Pittsburgh, and the MidAtlantic AIDS Education and Training Center of the University of Pittsburgh Graduate School of Public Health. Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Overview and Intended Audience

The Centers for Disease Control and Prevention estimates that more than 1.1 million people are living with HIV in the United States. One in seven (15%) of those people living with HIV is unaware of their infection.

Despite increases in the total number of people living with HIV in the U.S. in recent years, the annual number of new HIV infections has remained relatively stable. However, new infections continue at far too high a level, with an estimated 39,513 Americans becoming infected with HIV in 2015. Pennsylvania is ranked seventh in the nation, with 31,400 Pennsylvanians living with HIV/AIDS.

Significant health disparities are evident in HIV-infected individuals in this country. African Americans represent 45% of new HIV infections but only 12% of the population, while Latinos represent 24% of new HIV infections and 18% of our population.

Advances in the treatment of HIV/AIDS have extended the lives of many. AIDS is now considered a chronic disease. There is convincing evidence that if we can diagnose and treat all persons with HIV in the United States, we could dramatically slow the growth of new HIV cases to near zero. The annual World AIDS Day conference provides an overview of timely clinical and psychosocial issues related to the care of persons living with HIV/AIDS. This conference has been developed with the input of physicians and other health professionals, as well as consumers and prior attendees, through conference evaluations.

This conference is intended for physicians, psychologists, registered nurses, licensed practical nurses, pharmacists, social workers, health educators, peers, and all individuals interested in learning more about HIV/AIDS. This is a knowledge-based activity.

Objectives

• To update participant’s overall knowledge of HIV care
• To increase the participant’s understanding of new programmatic platforms
• To increase engagement and retention of patients in HIV care and quality
• To increase the participant’s understanding of PrEP from a patient perspective
• To expand the participant’s knowledge of trauma informed care
• To increase the participant’s knowledge of drug use and HIV
## Conference Agenda

Accreditation
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of Allegheny General Hospital, MidAtlantic AIDS Education and Training Center and Pittsburgh AIDS Center for Treatment UPMC. Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians
AMA PRA Category 1 Credits™
Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Allegheny General Hospital designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Credit:
• American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

• American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

• American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by the ACCME. Physician assistants may receive a maximum of 6.75 hours of Category 1 credit for completing this program.

• Non-physicians: Allegheny General Hospital has approved this activity for a maximum of 6.75 contact hours for non-physicians.

LSW/LCSW: 6.00 credit hours of continuing education is provided through co-sponsorship of the University of Pittsburgh School of Social Work, a PA-approved provider of social work continuing education. These credit hours satisfy requirements for LSW renewal.

PCB: This program qualifies for 6.0 hours of Pennsylvania Certification Board credit under Provider Status Agreement #251.
Parking
Complimentary parking will be available in the James Street Garage. If you need directions to the parking lot, please email Rachel.phillips@ahn.org.

Scholarships
Scholarships for attendance are being offered. Please email Rachel Phillips at Rachel.phillips@ahn.org if you are interested. Twenty-five scholarships to medical, nursing, social work, and pharmacy students, in addition to those living with HIV, will be given.

Refund Policy
A refund of the registration fee, less a $10.00 processing fee, will be made when a written request or a telephone request followed by a written confirmation is received prior to November 22, 2017. After this date, refunds will not be made. Fees will not be refunded for failure to attend. The sponsors of this course reserve the right to cancel or postpone any conference because of unforeseen circumstances or insufficient enrollment. In the event of such cancellation, full tuition will be refunded.

Registration Information
The registration fee includes course materials, continental breakfast, breaks, and lunch.

Fee: $50
   $40 AHN Employees

Deadline: November 22, 2017
(After this date, registrations will be taken on a space-available basis).

To register online or download a brochure, please visit our website at www.aghcme.org. To register by mail, complete the registration form and return it with the registration fee to:

Allegheny General Hospital
CME Department, Suite 156
320 East North Avenue
Pittsburgh, Pennsylvania 15212-4772
