Department of Anesthesiology
presents

New Horizons in Anesthesiology
Vail, Colorado
February 14-19, 2016
Vail Cascade Resort and Spa

Faculty

Conference Co-Chairs
STUART BROOKER, MD
Assistant Professor of Anesthesiology

SIMON LEE, MD
Assistant Professor of Anesthesiology

Guest Faculty
MICHAEL ANDRITSOS, MD
Associate Professor and Clinical Director, Cardiothoracic and Vascular Anesthesiology
Ohio State University Wexner Medical Center
Columbus, OH

ROBERT BRYSKIN, MD
Associate Professor of Anesthesiology
Mayo Clinic Hospital
Jacksonville, FL

JEREMY COLLINS, MB CHB, FRCA
Clinical Associate Professor of Anesthesiology
Stanford University School of Medicine
Stanford, CA

RAJNISH GUPTA, MD
Assistant Professor of Anesthesiology
Vanderbilt University
Nashville, TN

BOBBIE JEAN SWEITZER, MD, FACP
Professor of Anesthesia and Critical Care
University of Chicago
Chicago, IL

Emory University School of Medicine Faculty
ELIZABETH DUGGAN, MD
Assistant Professor of Anesthesiology

DAVID GREnda, MD
Assistant Professor of Anesthesiology

MATT KLOPMAN, MD
Assistant Professor of Anesthesiology
**PROGRAM BENEFIT**

New Horizons in Anesthesiology has been providing practicing anesthesiologists, CRNAs, and Anesthesia Assistants with the latest information on emerging trends in anesthesiology since 1988. Our current format of three didactic lectures plus Q & A in each session has been well received and will be repeated this year. Early morning and late afternoon sessions allow for ample time on the slopes or for exploring beautiful Vail and the surrounding area. Thirty different topics will be presented by experts in their fields. Thought provoking speakers were chosen for the impact they would have on patient care and the practice patterns of attendees. Disciplines covered include obstetric anesthesia, ambulatory anesthesia, pain management, anesthesia for the cardiac patient, safety and quality in anesthesia care, and anesthesia and emerging diseases.

**EDUCATIONAL OBJECTIVES**

At the conclusion of this program, the participant should be able to:

- Explain current concepts in patient safety;
- Describe the disclosure of unanticipated outcomes;
- Describe the management of LVADs for non-cardiac surgery;
- Describe risk factors second victim effect;
- Explain the perioperative management of HIT;
- Discuss the intra-operative management of patients on hemodialysis;
- Describe new concepts of mechanical ventilation in the OR;
- Describe the management of the difficult pediatric airway;
- Understand how to manage a difficult pediatric airway.

**CONTINUING EDUCATION CREDIT**

The Emory University School of Medicine designates this live activity for a maximum of 25 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Emory University School of Medicine is accredited by the ACCME to provide CME to physicians.

This program has been prior approved by the American Association of Nurse Anesthetists for xx CE credits; Code Number xxx; Expiration Date February 19, 2016.

<td>$800</td>
</tr>
</tbody>
</table>

In Training

Professionals in training must provide a letter of verification from their program director. Tuition includes a course syllabus in electronic format (available for download 2 weeks prior to and after the program); breakfast; and afternoon refreshments. A welcome cocktail reception will also be provided for attendees and their guests. A minimum and maximum enrollment have been established so early registration is encouraged. Written cancellations prior to the program will be refunded less an administrative fee of $75.

The liability of Emory University is limited to the program tuition. Emory will not be responsible for any losses incurred by the registrant, including but not limited to airfare cancellation and hotel deposits.

**COURSE LOCATION AND LODGING**

All sessions will be held at the Vail Cascade Resort & Spa, 1300 Westhaven Drive, Vail, Colorado, 81657. Vail is a AAA 4-Diamond true ski in – ski out resort offering premier facilities, activities and dining. A limited number of rooms have been secured for course registrants at the following special group rates.

To reserve your accommodations, please call 800-420-2424 or email vcr-Groupres@destinationhotels.com and refer to the Emory University conference. To take advantage of these great rates, you must reserve your accommodations as soon as possible, but no later than Tuesday, January 5, 2016.

</table>

In addition to the above rates, there is a 9.8% room tax and a resort fee of $25 per room, per night (7% for condos).

For more information about this spectacular resort, visit www.vailcascade.com.

For additional information, registrants are encouraged to call Emory’s Office of Continuing Medical Education at 404-727-0469.

**GROUND TRANSPORTATION**

Once you’ve landed in Colorado, call Colorado Mountain Express for discounted rates at Denver International Airport or Eagle/Vail Airport. Make your reservation by calling 800-525-6363 or online at www.rideCME.com. The discount code is EMORY.

**VAIL MOUNTAIN**

Vail boasts three distinct areas of the mountain, each with its own features, including three terrain parks, several bowls and 5,289 acres of freeride terrain. At seven miles wide, finding fresh tracks is as easy as finding elbow room. On an average day, there are only two skiers per acre and on a busy day, only four. For more information about Vail Mountain, go to www.vail.com.

**LIFT TICKETS**

You may pre-purchase your lift tickets online at http://www.vail.com/plan-your-trip/lift-tickets/lift-tickets-search.aspx. Please do so at least 7 business days prior to your arrival as tickets will be mailed directly to your home. If you choose not to pre-purchase your lift tickets, we will also have discount Coupons available on Sunday, February 14, 7:00 – 11:00am and 1:00 – 4:00pm at the New Horizons Registration Desk in the hotel lobby. You must present the Coupon at the ticket window to receive the discounted price.

**SKI SNOWBOARD RENTALS**

### Sunday February 14

**7:00 - 11:00 am / 1:00 - 4:00 pm**
**Registration in hotel lobby**

**4:30 - 5:10**  
**Preoperative Evaluation and Management of the Highest Risk Patients**  
- Bobbie Jean Sweitzer, MD

**5:10 pm**  
**Epidural Hematoma—Risks and Management Strategies**  
- Rajnish Gupta, MD

**5:50 pm**  
**Congenital Heart Disease and Management for Non Cardiac Surgeries**  
- Robert Bryskin, MD

**6:30 pm**  
**Q & A Session**

**7:00 pm**  
**Adjourn**

### Monday February 15

**7:00 am**  
**Current Evidence for Treatment of Hypoxic Respiratory Failure**  
- David Grenda, MD

**7:40 am**  
**The Impact of Anesthesia on the Developing Brain**  
- Robert Bryskin, MD

**8:20 am**  
**Basics of Ultrasound Guided Regional Anesthesia**  
- Rajnish Gupta, MD

**9:00 am**  
**Q & A Session**

**9:30 am**  
**Adjourn**

**4:30 pm**  
**Why Ketamine is the Perfect Drug for Sedation**  
- Bobbie Jean Sweitzer, MD

**5:10 pm**  
**Common Pediatric Emergencies and Trauma**  
- Robert Bryskin, MD

**5:50 pm**  
**Tips and Tricks for Peripheral Nerve Catheters**  
- Rajnish Gupta, MD

**6:30 pm**  
**Q & A Session**

**7:00 pm**  
**Adjourn**

### Tuesday February 16

**7:00 am**  
**Pediatric Neuro Anesthesia**  
- Robert Bryskin, MD

**7:40 am**  
**An Update on Anticoagulation Medications and Regional Anesthesia**  
- Rajnish Gupta, MD

**8:20 am**  
**Basics of Preoperative Testing**  
- Bobbie Jean Sweitzer, MD

**9:00 am**  
**Q & A Session**

**9:30 am**  
**Adjourn**

**4:30 pm**  
**Obstructive Sleep Apnea: Using the Literature to Build Your Practice Algorithm**  
- Elizabeth Duggan, MD

**5:10 pm**  
**Why Cataract Surgery is Safer Than Getting Your Teeth Cleaned**  
- Bobbie Jean Sweitzer, MD

**5:50 pm**  
**Post Operative Delirium and Long Term Cognitive Dysfunction Following Cardiac Surgery**  
- David Grenda, MD

**6:30 pm**  
**Q & A Session**

**7:00 pm**  
**Adjourn**

**7:00 pm**  
**Welcome Reception**

### Wednesday February 17

**7:00 am**  
**Supraglottic Airways in Difficult Airway Management: When, Which, How**  
- Jeremy Collins, MD

**7:40 am**  
**Management of Perioperative Hyperglycemia in Non Cardiac Patients**  
- Elizabeth Duggan, MD

**8:20 am**  
**Antibiotic Selection and Dosing in the Era of Multi-Drug Resistant Organisms: The Role of the Anesthesiologist**  
- David Grenda, MD

**9:00 am**  
**Q & A Session**

**9:30 am**  
**Adjourn**

**4:30 pm**  
**Tee Decision Making in the O.R.**  
- Michael Andritsos, MD

**5:10 pm**  
**The Obstructed Airway in Head and Neck Surgery**  
- Jeremy Collins, MD

**5:50 pm**  
**PONV: From Samba 2013 to Now: Is Your Practice Current?**  
- Elizabeth Duggan, MD

**6:30 pm**  
**Q & A Session**

**7:00 pm**  
**Adjourn**

### Thursday February 18

**7:00 am**  
**Pros and Cons of Protocols in the OR’s: Help or Hinderance?**  
- Michael Andritsos, MD

**7:40 am**  
**The Patient with an LVAD for Non-Cardiac Surgery**  
- Matt Klopman, MD

**8:20 am**  
**Do Patients with Morbid Obesity Really Have Difficult Airways?**  
- Jeremy Collins, MD

**9:00 am**  
**Q & A Session**

**9:30 am**  
**Adjourn**

**4:30 pm**  
**Physicians and Addiction**  
- Stuart Booker, MD

**5:10 pm**  
**Dealing with EBOLA in the Peri-Operative Environment**  
- Matt Klopman, MD

**5:50 pm**  
**Coagulation and Hemostasis in the OR: Tools and Products to Assist in Blood and Blood Product Management**  
- Michael Andritsos, MD

**6:30 pm**  
**Q & A Session**

**7:00 pm**  
**Adjourn**

### Friday February 19

**7:00 am**  
**Post Dural Puncture Headache: Old Problem, New Thinking**  
- Jeremy Collins, MD

**7:40 am**  
**Peri-Operative Management of Cardiac Implantable Electrical Devices**  
- Matt Klopman, MD

**8:20 am**  
**Cardiovascular and Respiratory Interactions During Mechanical Ventilation: A Case Based Presentation of One-Lung Ventilation and Cardiomyopathy**  
- Michael Andritsos, MD

**9:00 am**  
**Q & A Session**

**9:30 am**  
**Adjournment**
