Course Description

The Georgia Neurological Society supports patients and our members through education.

The annual GNS meeting is for neurologists, neurology residents and fellows, and other healthcare professionals with an interest in neurology. The goal of the program is to highlight recent advances in the field of neurology as well as changes in the clinical practice of neurology.
Learning Objectives

At the conclusion of this program, attendees will:

- Recognize and manage autonomic disorders of the hollow visceral organs
- Discuss patient concerns about brain tumors
- Understand advances in chronic traumatic encephalopathy
- Understand the role of APPs in neurological care
- Differentiate and treat Parkinson dementia versus Lewy body dementia
- Identify and manage TIA mimics

CME credit

The Emory University School of Medicine designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
