GASP 2017
8th Annual
Georgia Association of Sleep Professionals Symposium

October 13 -14, 2017

Emory Conference Center Hotel
1615 Clifton Road, NE
Atlanta, GA 30329
Course Description
The Georgia Association of Sleep Professionals promotes excellence in sleep medicine, education, research, and public health while advocating for sleep professionals across the state.

This year’s symposium will bring together local and national leaders in sleep medicine and sleep technology. Learners will leave the activity with enhanced knowledge about cutting-edge topics in the field, including sleep center management, dental sleep medicine, legal aspects of sleep telemedicine, and treating sleep disorders in special populations.

Target Audience
This activity will benefit anyone working in the sleep disorders field, including technologists, physicians, advanced care practitioners, psychologists, dentists, and trainees in each of these areas.

Learning Objectives
Upon completion of this education activity, learners should be able to:

- Identify the side effects of oral appliance therapy and potential solutions to side effects;
- Discuss strategies and treatments for patients with refractory hypersomnolence;
- Explain legal considerations in telemedicine and drowsy driving;
- Explain the characteristics of sleep in geriatric patients;
- List appropriate treatments of sleep disorders in women;
- Summarize the latest development in CPAP mask customization through 3D printing.

Continuing Education Credit
The Emory University School of Medicine designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Emory University School of Medicine and the Georgia Association of Sleep Professionals. The Emory University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

We are also applying for AAST, CRCE, and APA Credit
