OVERVIEW
The Hoag Hospital 2016 Annual Respiratory Care Conference will offer patient care perspectives with clinical, social, ethical, and business model content useful in today’s dynamic environment of health care delivery.

ACCREDITATION
Hoag Hospital is approved by the California Board of Registered Nursing, provider number 00146, for 5.0 continuing education units.

This program has been approved for a maximum of 6.0 contact hours Continuing Respiratory Care Education (CRCE) credit by the American Association for Respiratory Care, course number 14678000.

PROGRAM OBJECTIVES
Upon completion of this conference, participants will be able to:

• Explain the Organ Donation process and the critical role played by the RCP.

• Describe how to leverage clinical changes to diminish the “Silo Effect” and realize the positive financial effects of doing so.

• Demonstrate how the RCP can positively impact outcomes and care delivery under the Affordable Care Act.

• Describe the diagnosis process and clinical management of Interstitial Lung Diseases, common or rare.

• Discuss Advanced Pulmonary Mechanics and Transpulmonary Pressure introducing Esophageal Pressure Measurement (EPM)-Optimizing PEEP strategies for the mechanically vented patient.

• Recognize the signs and symptoms of personal stress in the RCP, and techniques for optimal management.
