PROGRAM OBJECTIVE

This program of continuing education consists of a day of lectures and teaching to meet the needs of ophthalmologists and other health professionals interested in pediatric glaucoma, neuroprotection, vascular imaging, glaucoma, retinal disease and corneal disease.

PROGRAM GOALS

At the conclusion of this CME activity, the participant should be able to:
1. Describe current research and ideas in the fields of pediatric glaucoma, neuroprotection, vascular imaging, glaucoma, retinal disease and corneal disease.
2. Effectively manage and treat pediatric glaucoma, neuroprotection, vascular imaging, glaucoma, retinal disease and corneal disease.
3. Review the management of pediatric glaucoma, glaucoma, retinal disease and corneal disease, and understand neuroprotection and vascular imaging.

TARGET AUDIENCE

Ophthalmologists, ophthalmic technicians, medical students, research coordinators, primary care doctors and residents.

Accreditation Statement:
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation:
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credit(s)™
Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance will be provided to all professionals.

Faculty Disclosure:
It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

Special Needs:
The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.
