FACULTY DISCLOSURE: It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.
Program Goals
The Mount Sinai Inflammatory Bowel Disease Consultant’s Course will provide an in-depth review of state of the art diagnostic methods, medical and surgical therapeutic approaches, and cancer screening and prevention strategies in IBD. Course faculty will lend their expertise to each of the areas that will be highlighted at the symposium. Audience interaction and participation is strongly encouraged and there will be many opportunities for case discussions and has been a highlight of our prior courses.

Program Objectives
At the conclusion of the conference, participants will be able to:
- Describe recent innovations in biologic therapies such as anti-TNF’s, and newer biologic therapies and how to optimize their use in treatment of IBD.
- Identify evidence based endoscopic approaches, including colonoscopic surveillance, therapeutics and fecal transplant and how to appropriately and optimally apply them to clinical practice.
- Analyze controversial issues in the multidisciplinary management of IBD with consideration for the special patient populations and identify the risks and benefits of treatment options.

Who Should Attend
Gastroenterologists, Colorectal Surgeons, Primary Care Physicians, and other healthcare professionals caring for patients with IBD or colorectal cancer.

Accreditation Statement
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
