PROGRAM DESCRIPTION

The 3rd Annual Advances in Neurology is a full-day CME event that will provide clinicians with an update on diagnostic processes, cutting-edge technologies, and innovative management strategies in these major areas of adult neurology: movement disorders, stroke, multiple sclerosis, headache, epilepsy, and neuromuscular disorders. Through didactic lectures, case presentations, interactive discussions with expert clinicians, and patient simulations, attendees will be better enabled to diagnose and manage patients living with neurologic disorders in 2016 and beyond.

EDUCATIONAL OBJECTIVES

The Educational Objectives for this CME activity are supported by a comprehensive assessment of needs and identification of practice gaps.

- **Identify** appropriate treatment approaches for acute ischemic stroke and recognize cases that are appropriate for referral to comprehensive stroke centers offering acute endovascular interventions.
- **Utilize** the updated criteria for diagnosing and categorizing multiple sclerosis and create an effective comprehensive and holistic management plan.
- **Recognize** the common pitfalls in diagnosing and managing patients with movement disorders.
- **Select** an appropriate movement disorder candidate for deep brain stimulation (DBS).
- **Differentiate** inflammatory from non-inflammatory myopathies, and describe an appropriate management plan for myositis.
- **List** new medical and surgical options for the treatment of epilepsy, and describe potential novel management options.
- **Describe** the role of acupuncture in headache management.
- **Distinguish** primary from secondary causes of headache, and identify “red flags” that portend a secondary etiology.

WHO SHOULD ATTEND?

This symposium is designed for the practicing neurologist; other specialists in related fields (neurosurgery, rehabilitation medicine, internal medicine, psychiatry, geriatrics, rheumatology); residents and fellows; and other healthcare professionals involved in the care of patients with neurologic disorders (nurses, nurse practitioners, physician assistants, physical therapists, occupational therapists).

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance

Verification of attendance will be provided to all professionals.

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.
