Section of Movement Disorders
Department of Neurological Sciences at Rush University Medical Center

In conjunction with

The Parkinson Disease Foundation

Present

Practical Approach to Parkinson’s Disease and Other Movement Disorders 2019

Clinical Symposium
Saturday, August 10, 2019
8:00 am to 3:45 pm

TARGET AUDIENCE: This program is directed toward general neurologists and primary care physicians who increasingly face the challenges of treating patients with Parkinson’s disease and other movement disorders (including: tremor, Huntington’s disease, Tourette Syndrome, dystonia, myoclonus, ataxia and restless leg syndrome). The audience will include: General Neurologists, Internists, Family and General Practitioners, Rehab physicians, Gerontologists, Nurses (general, geriatric, rehab), Advanced Practice Providers, Neurology Residents and Fellows, and Physiatrists.

DESIRED LEARNING OUTCOMES: At the conclusion of this activity, participants should be able to: 1) Utilize a framework for accurately categorizing movement disorders to identify the signs and symptoms, similarities and differences between specific movement disorders; 2) Identify current and new treatments for movement disorders and to be able to discuss the various treatment options when considering treatment(s) for patients with movement disorders; 3) Integrate other interventions and programs which may help patients with movement disorders.

ACCREDITATION: In support of improving patient care, Rush University Medical Center is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the healthcare team.

Rush University Medical Center designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

ANCC Credit Designation – Nurses. The maximum number of hours awarded for this CE activity is 6.75 contact hours.

Rush University is an approved provider for physical therapy (216.000272), occupational therapy, respiratory therapy, social work (159.001203), nutrition, speech-audiology, and psychology by the Illinois Department of Professional Regulation.
Rush University designates this live activity for 6.75 Continuing Education credit(s).
VENUE LOCATION: The course is being held at Rush University Medical Center, Searle Conference Center 5th Floor, 1725 W Harrison St, Chicago, IL 60612
