Conference Objectives

Upon completion of this activity, participants should be able to:
- Examine key components of the overall care of the neuroscience patient
- Evaluate current trends in the care of epilepsy patients
- Determine the application value and clinical indications of brain mapping
- Define dementia and assess the impact of misdiagnosis on reimbursement
- Illustrate the possible applications and outcomes of Deep Brain Stimulation (DBS)
- Identify the appropriate uses for the various therapies and appraise the benefits of rehabilitation
- Demonstrate speech therapy modalities and how to utilize them in the care of neurological events
- Synthesize clinical perspective with the patient's human perspective, in order to increase patient-centered care
- Construct a level of responsiveness to issues affecting patients and families within the neuroscience world
- Provide opportunities for caregivers within the metroplex and surrounding areas to strategize ways to apply evidence based care in meeting the needs of neuroscience patients

Who Should Attend

This activity is designed for emergency medicine, family medicine, general practice, geriatric medicine, internal medicine, neurology, neurological surgery, physical medicine and rehabilitation, nuclear radiology, palliative medicine physicians, nurses, physical therapists, pharmacists, and allied health professionals who care for neurology patients.

Accreditation Statement

PHYSICIANS
Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Texas Health Research & Education Institute designates this educational activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The lecture "Ethical Issues and Therapeutic Interventions" has been designated by Texas Health Research & Education Institute for 1 hour of education in medical ethics and/or professional responsibility.

NURSES
Texas Health Harris Methodist Hospital Fort Worth is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Participants must attend the entire program to receive Continuing Education credit.

Participants must attend the entire program to receive Continuing Education credit.

Nursing Contact Hours: 6.5

PHYSICAL THERAPISTS
This course has been submitted to TPTA for approval.

SPEECH THERAPISTS
This program has been submitted for approval of 6.5 clock hours of continuing education credit by TSHA. TSHA approval does not imply endorsement of course content, specific products, or clinical procedures.

Teaching Methods
The primary educational methods include lectures and participant discussion.
