Saturday, November 5, 2011
8 a.m. - 5:15 p.m.

A TASTE OF THE FUTURE

ENJOY TOP-CHEF CUISINE BY DEAN FEARING
CHEF/PARTNER
Fearing’s Restaurant
The Ritz-Carlton
Dallas, Texas

CME Presented by

Texas Health Presbyterian Hospital
DALLAS

www.TexasHealth.org/CME
Conference objectives

At the end of this conference, participants should be able to:

- Describe the future of health care legislation.
- Discuss the medical treatment for heart failure.
- Discuss the indications and outcomes for left ventricular assist device and heart transplantation.
- Discuss the diagnosis and treatment of PVD and the prevention of amputation.
- Discuss surgical and interventional approaches for peripheral arterial revascularization.
- Discuss the utilization, modification and side effects of statin therapy.
- Examine different non-invasive imaging modalities and their applications to cardiovascular disease states.
- Discuss approaches to arrhythmia management.
- Discuss the mechanism and application for biventricular pacing.
- Discuss the current state and indications for bypass surgery.
- Examine the development of a ST segment elevation MI program.
- Describe the role of hospitals in the future of health care.

Target Audience
Cardiovascular Health Care Providers

Physician Accreditation

Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Texas Health Research & Education Institute designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
