Accreditation with Commendation
**AGENDA**

7:15 AM    Registration and Continental Breakfast
7:50 AM    Opening Remarks
8:00 AM    **Chronic Pain and Addiction in the Elderly**
            Carl W. Christensen, MD, PhD
8:45 AM    Q & A
9:00 AM    **Colorectal Diseases in the Elderly**
            Grace Elta, MD
9:45 AM    Q & A
10:00 AM   Break
10:15 AM   **The Geriatric Foot and Ankle: Factors Contributing to Falls**
            Robert Meehan, MD
11:00 AM   Q & A
11:15 AM   **Barker Hypothesis Revisited: We are What our Parents and Grandparents Ate!**
            Raymond Yung, MD
12:00 Noon Q & A
12:10 PM   Lunch
1:00 PM    **Aortic Valve Disease in the Elderly Patient**
            G. Michael Deeb, MD
1:45 PM    Q & A
2:00 PM    **Urinary Incontinence**
            Mitchell Berger, MD, PhD
2:45 PM    Q & A
3:00 PM    **Kidney Disease in the Elderly**
            Noreen Rossi, MD
3:45 PM    Q & A

**FACULTY**

**Mitchell B. Berger, MD, PhD**
Assistant Professor
Female Pelvic Medicine & Reconstructive Surgery
Department of Obstetrics and Gynecology
University of Michigan Health System

**Carl W. Christensen, MD, PhD**
Associate Professor of Obstetrics and Gynecology
Hutzel Women’s Hospital
Wayne State University School of Medicine

**G. Michael Deeb MD**
Herbert Sloan Collegiate Professor of Cardiac Surgery
Department of Cardiac Surgery
University of Michigan Medical Center

**Grace Elta, MD**
Professor of Medicine
Director, Medical Procedures Unit
Associate Chief, Clinical Programs
University of Michigan
Staff Physician, VA Medical Center

**Robert Meehan, MD**
Clinical Assistant Professor
Michigan State University College of Medicine
Foot and Ankle Surgeon
Detroit Medical Center
Oakwood Medical Centers

**Noreen F. Rossi, MD, FACP, FASN, FAHA**
Professor of Internal Medicine
Vice Chair for Faculty Scholarly Enhancement
Associate Member of the Graduate Faculty in Physiology
Program Director, Nephrology Fellowship
Wayne State University School of Medicine
Staff Physician, John D. Dingell VA Medical Center

**Raymond Yung, MB, ChB**
Chief, Division of Geriatrics and Palliative Medicine
Department of Internal Medicine
Co-Director, Geriatric Center and Director of the Institute of Gerontology
University of Michigan
PURPOSE
This conference will address practical and clinically relevant information with an emphasis on new and continuing developments in geriatric medicine and related fields.

EDUCATIONAL OBJECTIVES
At the conclusion of the course, the participant will:
• Become familiar with current knowledge regarding co-occurrence of addiction and chronic pain
• Recognize the “red flags” of medication, misuse and addiction
• Describe the heritability of common diseases affecting the elderly
• Understand the relationship between early life dietary exposure and the development of late life diseases
• Develop a strategy to encourage healthy living across the lifespan
• Know available options for treatment of the elderly with aortic valvular disease
• Understand the differences in procedural, recovery and outcomes options for aortic valvular disease
• Available options for qualified candidates of aortic valvular disease “Who Is and Who is Not A Candidate?”
• Understand diverticular disease in the elderly
• Know the role and implement CRC screening and polyp surveillance in the elderly
• Recognize the clinical presentation and know the management of ischemic colitis
• Understand the continued common presence of functional bowel disorders in the elderly
• Learn the epidemiology of female urinary incontinence
• Learn the pathophysiology of urinary incontinence
• Be better able to evaluate and treat urinary incontinence
• Identify common risk factors associated with kidney disease in elderly patients
• Identify the risk factors associated with falls in elderly patients

TARGET AUDIENCE
General and family practitioners, gerontologists, internists, physician assistants, nurse practitioners and other healthcare professionals.

LOCATION
The conference is being held at the Sheraton Detroit Novi (formerly the Novi Hilton), 21111 Haggerty Road, Novi, Michigan 48375. Phone 248/349-4000

FINANCIAL SUPPORT
This program has been made possible by a generous gift from The Carls Foundation as well as other commercial interests.

REGISTRATION FEE
There is no registration fee for this conference, however, seating is limited and we encourage early on-line registration at http://cme.med.wayne.edu or you may complete the registration form attached and fax to (313) 577-7554 or mail to: The Division of Continuing Medical Education, Wayne State University School of Medicine, 9A-UHC, 4201 St. Antoine, Detroit, MI 48201. This conference includes course materials and processing of Continuing Medical Education (CME) credits. A complimentary continental breakfast, lunch and light refreshments will be provided. All registrations will be confirmed via e-mail to the address provided on the registration form.

CANCELLATIONS
Contact the office of Continuing Medical Education at (313) 577-1180.

CREDIT STATEMENT
The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this live educational activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Norman N. Krieger, MD

Norman N. Krieger received his MD degree from the University of Michigan in June 1956 and did his residency at Cook County Hospital, Chicago, IL. He has practiced medicine in Milford since December 1960 and been on staff at Huron Valley-Sinai Hospital since it opened. He was appointed Chief of Staff in June 1987 and was the Physician of the Year for 1988.

In the words of Norman Krieger, MD, “The growing geriatric population consists of individuals with unique medical needs. Only through continued research and discussions can we develop the specialized medical care required, and deserved, for these fine patients.”

Annual Krieger Geriatric Lecture
Mission Statement

• To enhance the knowledge of physicians in the prevention, diagnosis, and treatment of diseases of the geriatric population
• To expose physicians to cutting edge research related to the treatment and prevention of diseases of the elderly
• To provide an opportunity to enhance the knowledge of other health care providers to the prevention, diagnosis, and treatments affecting the geriatric population
