Who Should Attend
This event offers up-to-date, practical information about pediatric infectious disease for any healthcare professional who cares for children. There will also be opportunities to participate in case discussions.

Continuing Education
Children’s Hospital Medical Center of Akron is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.

Children’s Hospital Medical Center of Akron designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure Statement
As a provider of the Ohio State Medical Association, it is the policy to require the disclosure of the existence of any financial interest a planning committee member or presenter has with either the commercial supporter(s) of this activity or the manufacturers of any commercial products discussed and, when necessary, resolve any potential conflict.

The following presenter(s) and/or planning committee member(s) have the following to disclose:
Blaise Congeni, MD - Speakers Bureau: ParaPro

Directions and Parking
The Considine Professional Building is located directly across from Akron Children’s Hospital on W. Bowery Street. Directions to Akron Children’s Hospital are available at akronchildren.org/maps. Parking is available in the P2 Exchange Street Parking Deck (348 Locust St.). Please bring your parking ticket for validation.

Special Accommodations / Questions
Should you require special accommodations or have questions pertaining to the conference, please contact Tonya Wilmot at 330-543-8395 or twilmot@chmca.org.

Division of Infectious Disease
Akron Children’s Hospital
Conference Objectives

1. List clinical indications for new lab modalities in infectious diseases.

2. Outline the decision process for using an antibiotic in the child with pneumonia.

3. Indicate common dosing regimens for frequently used antibiotics.

4. Explain the value of on-going clinical research in the area of pediatric infectious disease.

5. Identify indications for adjunctive therapy for streptococcal diseases.

6. Identify the risk factors for recurrent staph infections.

7. Reveal the best cases from 2017 and review the diagnosis and treatment.
