

CHI Health Continuing Education Nursing Journal Club

2021 Schedule

Quarterly on the 2nd Wednesday of every 3 months from 1-2 pm

January 13, 2021

July 14, 2021

April 14, 2021

October 13, 2021

Voice Bridge: 402-827-1222

Presented by:

CHI Health Nursing

Coordinated by:

Nursing Research Council

Audience:

Nurses and other interested health professionals

Purpose:

The purpose of the Journal Club is to provide a non-threatening and supportive environment for nurses to review and critique research articles. This program will provide an avenue for staff to practice critiquing research and determine the level and quality of the evidence used in the studies.

Objectives:

- Identify the key points of the research article and answer questions related to a) purpose of the study b) literature review c) design d) sample e) ethical issues f) data collection g) data analysis h) findings i) application to practice ethical issues
- Describe how the results of this research impacts nursing at the bedside.

Questions: Describe how the results of this research impacts Program Questions: contact Jody Kempnich at jodeena.kempnich@alegent.org

Registration Questions: contact Jody Kempnich at jodeena.kempnich@alegent.org
