Dear Fellow Pediatric Ophthalmologists,

We are looking forward to the 2nd annual Pediatric Ophthalmology & Strabismus Meeting of the Southeast (POSMS), on September 16-17, 2016. This year we will hold the meeting at the Emory Conference Center Hotel located near Emory’s main campus. We are honored to have a keynote lecture by invited guest Dr. David Wallace, Professor of Ophthalmology and Pediatrics, Division of Pediatric Ophthalmology and Strabismus at Duke University. The meeting will start with a dinner on Friday night that will give everyone the opportunity to renew old friendships and to meet new colleagues. We hope that you will be able to attend.

Amy K. Hutchinson, MD
Interim Section Chief

KEYNOTE SPEAKER

Dr. David Wallace, MD

Dr. Wallace is a Professor of Ophthalmology and Pediatrics at the Duke Eye Center. His primary research interests are retinopathy of prematurity (ROP), amblyopia, and clinical trials. He currently leads the Pediatric Eye Disease Investigator Group, or PEDIG, a national clinical trials group that does multi-center studies of pediatric eye diseases. He has chaired or co-chaired five amblyopia clinical trials done by the PEDIG. These studies have contributed to an evidence-based approach to amblyopia treatment. He is the principal investigator for an NIH-sponsored study of the predictive value of abnormal dilation and tortuosity of retinal blood vessels in premature infants, and he has a particular interest in computer-assisted diagnosis of plus disease. He has served on the Executive Committees of the Pediatric Eye Disease Investigator Group and the Early Treatment for Retinopathy of Prematurity Study Group.

AGENDA

Friday, September 16, 2016

7-9 PM  
DINNER AT THE DRAWING ROOM, EMORY CONFERENCE CENTER HOTEL  
Networking opportunity for Southeastern Pediatric Ophthalmologists

Saturday, September 17, 2016

7-11 AM  
CONTINUOUS BREAKFAST

8 AM-9 AM  
INTRODUCTION AND KEYNOTE LECTURE  
Treatment of Severe ROP: The Times They Are A Changin’  
David K. Wallace, MD

9-10:15 AM  
CASE PRESENTATIONS BY MEETING PARTICIPANTS

10:15-10:45 AM  
BREAK

10:45-12:00 PM  
CASE PRESENTATIONS BY MEETING PARTICIPANTS

12:00 -12:30 PM  
DISCUSSION ABOUT POSMS MEETING

12:30  
ADJOURN

Emory University School of Medicine gratefully acknowledges the financial support of Miraflex - Vision of Light.
September 16-17, 2016

PROGRAM BENEFITS

The second annual Pediatric Ophthalmology & Strabismus Meeting of the Southeast (POSMS) will be a low-key, case presentation-based meeting modeled after “Joe’s Meeting” at Wills Eye Hospital. Bring your interesting cases, your failures, and your dilemmas. Audience participation will be key and everything will be game. Participants will be practicing pediatric ophthalmologists, orthoptists, and other ophthalmic subspecialists who work with children.

At the conclusion of this program, the participant should be able to:

- Apply central concepts about the management of pediatric eye conditions—specifically including the management of pediatric cataract, retinopathy of prematurity, pediatric corneal disease and pediatric neuro-ophthalmology—in order to minimize the occurrence/impact of amblyopia in the pediatric population

- Explain current controversies in the management of a variety of pediatric eye diseases.

CONTINUING EDUCATION CREDIT

The Emory University School of Medicine designates this live activity for a maximum of 4.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Emory University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

TUITION: $89

Tuition includes continuous breakfast and breaks on Saturday and other amenities that make this a rewarding learning experience. Cancellations received prior to September 10 will be refunded. There is no refund after September 10, 2016. The liability of Emory University is limited to the program tuition. Emory will not be responsible for any losses incurred by the registrant, including but not limited to airfare cancellation and hotel deposits.

COURSE LOCATION AND LODGING

All sessions will be held at Emory Conference Center Hotel, 1615 Clifton Road, NE, Atlanta, GA 30329. Set on a 26-acre forest preserve, this Frank Lloyd Wright-designed conference hotel is an 8-minute walk from the Centers for Disease Control and Prevention, and to Emory Point, where there are many dining and shopping options.

If overnight accommodations are needed, please call the hotel directly at 404-712-6000 or toll free: 1-800-933-667. For more information about this hotel, visit www.emoryconferencecenter.com.

For additional information, registrants are encouraged to call Emory’s Office of Continuing Medical Education at 404-727-1626.
EMORY PEDIATRIC EYE SPECIALISTS

Allen Beck, MD
Pediatric Glaucoma

Brent Hayek, MD
Pediatric Oculoplastics

Baker Hubbard, MD
Pediatric Retina

Annette Giangiacomo, MD
Pediatric Glaucoma

Amy Hutchinson, MD
Interim Section Chief
Pediatric Ophthalmology and Strabismus
Retinopathy of Prematurity

Hee Joon Kim, MD
Pediatric Oculoplastics

Scott Lambert, MD
Pediatric Ophthalmology and Strabismus
Pediatric Cataract and Adult Strabismus

Phoebe Lenhart, MD
Pediatric Ophthalmology and Strabismus
Pediatric Cornea

Sheryl Menacker, MD
Individuals with Disabilities
Pediatric Ophthalmology and Strabismus

Jason Peragallo, MD
Pediatric Ophthalmology and Strabismus
Pediatric Neuro-Ophthalmology

Josh Robinson, MD
Pediatric Retina

Jill Wells, MD
Ocular Oncology

Maria Shainberg, CO
Clinical and Research Orthoptist

Natalie Weil, MD
Pediatric Ophthalmology and Strabismus
Pediatric Cataract and Adult Strabismus
