EMORY SLEEP CENTER

EMORY UNIVERSITY SCHOOL OF MEDICINE
Course Description
The Georgia Association of Sleep Professionals supports sleep medicine practitioners and technologists through education. The annual GASP meeting is for sleep medicine physicians, technologists, advanced practice providers, psychologists, dentists, sleep medicine fellows, pulmonary critical care fellows, clinical neurophysiology fellows, neurology residents, and students. The goal of the program is to highlight advances in the field of sleep medicine, as well as to provide useful guidance in the clinical practice of sleep medicine.

Learning Objectives
Upon completion of this program, attendees should be able to:
• Discuss strategies for addressing adverse events in the sleep laboratory during in-lab polysomnography
• Discuss the differential diagnosis of pediatric restless legs syndrome
• Discuss treatment strategies for persistent pediatric obstructive sleep apnea after tonsillectomy/adenoidectomy
• Discuss the utility of oral appliance therapy in the treatment of obstructive sleep apnea

Continuing Education Credit
The Emory University School of Medicine designates this live activity for a maximum of 7.00 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Emory University School of Medicine and the Georgia Association of Sleep Professionals. The Emory University School of Medicine is accredited by the Accreditation Council of Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
