presents

SOUTHEASTERN
PULMONARY
EMBOLISM
CONFERENCE

FEBRUARY 23, 2019

Emory University Hospital Midtown
Glenn Auditorium
550 Peachtree Street
Atlanta, GA 30308

ANA ANTUN, MD
Assistant Professor of Medicine
Department of Hematology and Medical Oncology
Emory University School of Medicine

MANILA GADDH, MD
Assistant Professor of Medicine
Department of Hematology and Medical Oncology
Emory University School of Medicine

CHARLES GRODZIN, MD
Assistant Professor of Medicine
Division of Pulmonary, Allergy, Critical Care and Sleep Medicine
Emory University School of Medicine

PAUL GUICHARD, MD
Wellstar Health System, Marietta, GA

JOHN C. GURLEY, MD
Director, Structural Heart Program, University of Kentucky Health Care
Lexington, KY

WISSAM JABER, MD
Associate Professor of Medicine, Division of Cardiology
Emory University School of Medicine

WILLIAM BRENT KEELING, MD
Assistant Professor of Surgery, Division of Cardiothoracic Surgery
Emory University School of Medicine

ANDREW KLEIN, MD
Interventional Cardiology, Piedmont Heart Institute
Atlanta, GA

OMAR LATTOUF, MD, PHD
Professor of Surgery, Division of Cardiothoracic Surgery
Emory University School of Medicine

HENRY A. LIBERMAN, MD
Professor of Medicine, Division of Cardiology
Emory University School of Medicine

MICHAEL C. MC DANIEL, MD
Assistant Professor of Medicine, Division of Cardiology
Emory University School of Medicine

CHAD MILLER, MD
Director of Pulmonary Vascular Disease
Georgia Lung Associates, Piedmont Atlanta Hospital
Atlanta, GA

RAVI RAJANI, MD, FACS
Associate Professor of Surgery, Division of Vascular Surgery
Emory University School of Medicine

KENNETH ROSENFELD, MD
Section Head, Vascular Medicine and Intervention
Vascular Medicine and Intervention, Massachusetts General Hospital
Boston, MA

CHARLES B. ROSS, MD, FACS
Chief, Vascular and Endovascular Services Piedmont Heart and Vascular Institute

RAJESH SACHDEVA, MD
Associate Professor of Medicine, Morehouse School of Medicine
Atlanta, GA

THOMAS TODORAN, MD
Assistant Professor, Division of Cardiology
Medical University of South Carolina
Augusta, GA

BRYAN WELLS, MD
Assistant Professor of Medicine, Division of Cardiology
Emory University School of Medicine
This conference will address the optimal management of intermediate and high risk pulmonary embolism (PE). However, data comparing different treatment modalities are sparse and guidelines are often incomplete or contradictory. As such, the care of patients with pulmonary embolism often varies depending on the hospital, physician specialty, or individual clinician.

Given the absence of standardized treatment guidelines, this one day symposium will focus on multi-disciplinary team based approaches for the optimal treatment of PE in 2019, as well as address some of the areas of controversy in the management of PE.

TARGET AUDIENCE

One purpose of the meeting is to discuss the importance of pulmonary embolism response teams in the management of pulmonary embolism.

This conference is designed for physicians and healthcare professionals within the specialties of Cardiology, Emergency Medicine, Internal Medicine, Oncology, Radiology and Surgery. Trainees are also encouraged to attend.

LEARNING OBJECTIVES

Upon completion of this educational activity, learners should be able to:

- Identify and evaluate the multiple treatment options currently available for pulmonary embolism (PE).
- Describe risk stratification in PE.
- Provide advanced management of intermediate and high risk PE.
- Organize treatment from early discharge to management in the ICU.
- Understand the long term complications of PE.
- Develop a multidisciplinary PE response team.

PROFESSIONAL PRACTICE GAPS

1. This conference will address areas of controversy in the management of pulmonary embolism. The society guidelines often have conflicting or incomplete recommendations for the optimal management of pulmonary embolism in 2018. This educational activity will address these gaps.

2. This conference will address the optimal management of patients with intermediate and high risk pulmonary embolism. Currently, there is wide variation in practice for these patients. This conference will try to address with a multidisciplinary team based approach.

CONTINUING EDUCATION CREDIT

The Emory University School of Medicine designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

LOCATION, PARKING AND LODGING

The conference will be held in the Glenn Auditorium at Emory University Hospital Midtown, 550 Peachtree Street, Atlanta, 30308. Self-parking is available and costs $3.00 - $6.00/day. Valet parking is available at $8.00/day. We have not reserved a hotel room block. For your convenience, a few nearby hotels are:

- Crowne Plaza (1 block), 590 Peachtree St. NW, Atlanta, 30308, phone: 404-877-9000, website: http://www.cpatlantamidtown.com/
- Regency Suites Hotel (1 block), 975 West Peachtree St. NW, Atlanta, 30309, phone: 404-876-5003, website: http://www.regencysuites.com/

Regular rates will apply.

REGISTRATION AND CANCELLATION INFORMATION

The registration fee includes course materials, continental breakfast, breaks and lunch, as well as other amenities involved in a rewarding learning experience. Minimum and maximum enrollments have been established. A refund of your registration fee less a $35 administrative fee will be made if written cancellation is received no later than February 16, 2019. The liability of Emory University is limited to the registration fee. Emory will not be responsible for any losses incurred by registrants, including but not limited to airfare cancellation or hotel deposits.

Registration fee: $140 physicians, $100 allied professionals

ADDITIONAL INFORMATION

Please contact Keir Gray, 404-727-0063, kgray02@emory.edu or the Emory CME Office, 404-727-5695 with any questions.
