

# Emory Spring **GPOEM and Submucosal Endoscopy** Course

**March 2, 2019**

T3 Labs  
387 Technology Circle, NW  
Suite 175  
Atlanta, GA 30313

## **COURSE DESCRIPTION**

POEM and G-POEM are emerging treatment options for achalasia, esophageal motility disorders, gastroparesis and other gastric disorders. This one-day, hands-on course will introduce submucosal endoscopy to the gastroenterologist and provide an opportunity to perform the POEM and GPOEM procedures under the instruction of expert Emory and international faculty.

## **TARGET AUDIENCE**

The course is designed for the gastroenterologist interested in developing skills in endoscopic resection.
