Overview

The Children's Hospital of The King's Daughters (CHKD) Pediatric Trauma Conference is a one-day accredited pediatric course that is designed to provide knowledge and skills related to pediatric trauma from content experts. In addition, we seek to enhance our community and pediatric colleagues' ability to manage pediatric trauma cases. We will provide a forum for informal learning and discussion as well as formal presentation in the areas of pediatric trauma. The conference will provide various learning methodologies presented by experts in the areas of pediatric trauma.
