Department of Medicine, Division of Gastrointestinal and Liver Diseases

**Tapas Tejura, MD**  
Assistant Clinical Professor of Radiology  
Department of Radiology
COURSE DESCRIPTION

This course is intended to provide up to date information on the diagnosis and treatment of esophageal diseases. New diagnostic techniques and new treatment options for various esophageal diseases, such as GERD and achalasia, have emerged in the last few years. These developments have changed the approach to esophageal diseases. The course is intended to familiarize health practitioners with these new developments.

EDUCATIONAL OBJECTIVES

By the end of the course, participants will be able to:

• Identify pathophysiology and evolution of Barrett’s esophagus.
• Establish practice guidelines for diagnosis and treatment of high grade dysplasia and early esophageal adenocarcinoma.
• Outline new potential treatments for Barrett’s esophagus and its complications.

TARGET AUDIENCE

This course is intended for gastroenterologists, esophageal surgeons, gastroenterology fellows and allied health professionals who seek to enhance their understanding of esophageal disease and treatment options to optimize management of their patients.

Accreditation Statement

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply AMA PRA Category 1 Credit(s)™ for license renewal:

Provider approved by the California Board of Registered Nursing, Provider Number CEP00105 for 7.75 contact hours.

Physician’s Assistants: The National Commission on Certification of Physicians’ Assistants states that AMA PRA Category 1 Credit(s)™ accredited courses are acceptable CME requirements for recertification.
