Keck Medicine of USC
Colorectal Symposium:

An Update and Comprehensive Review

Friday-Saturday
April 21-22, 2017

USC Health Sciences Campus
Aresty Conference Center
1450 Biggy Street
Los Angeles, CA 90089

Presented by:
Department of Surgery, Division of Colorectal Surgery
and USC Office of Continuing Medical Education
PROGRAM

Friday, April 21, 2017

6:30 am  Registration and Breakfast
7:15 am  Welcome Remarks
    Kyle Cologne, MD, Sang Lee, MD
7:30 am  Breakfast Lecture:
    How Do We Use Pinpoint or Other Technology to Decrease Anastomotic Leaks
    Featured Speaker:
    Michael Stamos, MD

Morning Session I: Minimally Invasive Surgery
Moderators: Kyle Cologne, MD and Michael Stamos, MD
8:00 am  What is the Role for Endoluminal Surgery (TAMIS, TEMS, Advanced Endoluminal Resection, Endolaparoscopic)
    Sang Lee, MD
8:15 am  Where Do We Stand with Laparoscopy in the Pelvis: Should We Switch to Open?
    Kyle Cologne, MD
8:30 am  The Robot: Managing Indication vs. Cost-Where Do We Stand Now?
    Howard Ross, MD
8:45 am  Laparoscopic Total Mesocolic Excision: What is the Current Evidence?
    David Rivadeneira, MD
9:00 am  What Barriers Still Exist to Use of Laparoscopic Surgery: A Systems View
    Michael Stamos, MD
9:15 am  Bowel Prep: What Does the Evidence Show This Year?
    Howard Ross, MD
9:30 am  Panel Discussion and Case Scenarios
9:50 am  Break

Morning Session II: Benign Colorectal
Moderators: Kyle Cologne, MD and Howard Ross, MD
10:00 am  Changing Indications on Surgical Management of Diverticulitis: Where Are We Now?

Friday, April 21, 2017

10:20 am  Can We Ever Prevent It? What is the Most Durable Repair?
    David Rivadeneira, MD
10:30 am  Squamous Anal Dysplasia (with or without HIV): Office Surveillance, High Resolution Endoscopy, or Something Else?
    Petar Vukasin, MD
10:40 am  Management of Complex Anal Fistulas: To Lift, Flap, or Plug?
    Adrian Ortega, MD
11:10 am  Pilonidal Disease: What is the Best Option: Excise, Close or Flap?
    Andreas Kaiser, MD
11:20 am  Anorectal Mysteriess: There’s Something Down There, What the Heck is It? Lessons and Images from LAC+USC
    Adrian Ortega, MD
11:30 am  Panel Discussion and Case Scenarios
11:45 am  Lunch
11:50 am  Lunchtime Lecture:
    Indications, Pitfalls and Pearls
    Andreas Kaiser, MD

Afternoon Session I: Colorectal Cancer
Moderators: Sang Lee, MD and Matthew Albert, MD
1:00 pm  Local Excision in Colorectal Cancer: What is the Current Role?
    Matthew Albert, MD
1:20 pm  Genetic Screening-When and How?
    Gregory Idos, MD
1:40 pm  Surgical Management of HNPCC & Other Genetic Syndromes
    Kyle Cologne, MD
1:50 pm  TaTME: How Do I Do It
    Matthew Albert, MD
2:10 pm  Watch and Wait After Neoadjuvant Chemoradiotherapy: When is It Appropriate?
    Joongho Shin, MD
2:30 pm  Break
Friday, April 21, 2017

2:45 pm  Personalized Medicine in Metastatic Colorectal Cancer  
Heinz-Josef Lenz, MD

3:00 pm  Evolving Role of Neoadjuvant Therapy in Rectal Cancer: Customizing Therapy  
AfSaneh Barzi, MD, PhD

3:15 pm  Stage IV Disease with Multiorgan Involvement: How Do You Determine the Best Treatment Course and Timing of Surgery vs. Chemo  
Andreas Kaiser, MD

3:30 pm  Panel Discussion and Case Scenarios

3:45 pm  Break

Afternoon Session II: Inflammatory Bowel Disease  
Moderators: Kyle Cologne, MD and Caroline Hwang, MD

4:00 pm  Current Strategies in Medical Treatment of IBD  
Caroline Hwang, MD

4:20 pm  Endoscopic Management of Dysplasia (Chemoendoscopy, etc.)  
Sarah Sheibani, MD

4:30 pm  Colonoscopy Screening—What Are Current Guidelines, Options and Reimbursement Models?  
Ara Sabakian, MD

4:45 pm  Extended DVT Propylaxis: Who Really Needs It and What Will It Cost?  
M. Philip Duldulao, MD

5:00 pm  Panel Discussion and Case Scenarios

5:15 pm  Adjourn

Saturday, April 22, 2017

6:45 am  Registration and Breakfast

7:15 am  Breakfast Lecture: From 3-D to Energy Devices, What Are the Latest Tools of the Trade in Laparoscopic Colorectal Surgery  
Featured Speaker: Peter Marcello, MD

Morning Session I: Health Systems  
Moderators: Kyle Cologne, MD and Peter Marcello, MD

8:00 am  Lymph Node Retrieval: Bad Surgery or Blame the Patient?  
Peter Marcello, MD

8:15 am  Colorectal Quality: What Does It Mean, and How Do We Measure It?  
David Etzioni, MD

8:40 am  Colorectal Centers of Excellence: How Will This Impact Regional Care?  
Peter Marcello, MD

8:50 am  Alphabet Soup: DVT, PE, CLABSI, CLAUTI—What They Mean and Why We Should Care  
Neha Nanda, MD

9:00 am  Panel Discussion

9:15 am  Break

9:30 am  Changing Indications for Surgery in Biologic Era? What Is the Added Morbidity and Can We Now Consider Pouches for Crohn's Disease  
Phillip Fleshner, MD

9:50 am  New Techniques: Transanal Strictureplasty for Rectal Stricture, Kono S Lee, MD

10:00 am  Surgical Safety Checklists: What is the Evidence and What Should it Include?  
M. Philip Duldulao, MD

10:15 am  Fecal Incontinence: What is the Burden to Society and How Can We Help?  
Andreas Kaiser, MD

10:30 am  Break

Optional

Venue: Courtyard by Marriott: 180 North Fair Oaks Avenue Pasadena, CA 91103

6:00 pm  Registration

6:30 pm  Dinner Talk: Clinical Experience with Bioprosthetic Mesh in Colorectal Surgery and Complex Hernia Repair  
David Rivadeneira, MD

8:30 pm  Adjourn
aims to provide an update on colorectal surgery topics, with a focus on new technology, updated didactic lectures, group discussions, and Q&A sessions with the participants. Colorectal surgery topics covered include minimally invasive surgery, IBD, benign colorectal, colorectal cancer and anorectal diseases.

TARGET AUDIENCE

limited to nurses and technicians in the division of colorectal surgery caring for adults who seek up-to-date evidence to enhance their understanding of topics in colorectal medicine and related treatment and management options for their patients.

COURSE OBJECTIVES

By the end of the course, participants will be able to:

• Discuss current screening, diagnosis and management techniques in malignant and premalignant colorectal conditions.

• Integrate current management guidelines and operative indications into practice for benign colorectal conditions such as hemorrhoids, IBD and diverticulitis.

• Distinguish new minimally invasive techniques and outline their role in management of colorectal conditions.

• Discuss quality metrics for various colorectal conditions including IBD, rectal cancer and identify future trends in assessment standards.

COURSE DESCRIPTION

The Keck Medicine of USC Colorectal Symposium: An Update and Comprehensive Review aims to provide an update on colorectal surgery topics, with a focus on new technology, updated management strategies and techniques for practitioners. The program is a two-day event with didactic lectures, group discussions, and Q&A sessions with the participants. Colorectal surgery topics covered include minimally invasive surgery, IBD, benign colorectal, colorectal cancer and anorectal diseases.

TARGET AUDIENCE

This course is intended for colorectal surgeons and allied health professionals including, but not limited to nurses and technicians in the division of colorectal surgery caring for adults who seek up-to-date evidence to enhance their understanding of topics in colorectal medicine and related treatment and management options for their patients.

COURSE OBJECTIVES
FACULTY

COURSE DIRECTORS

SANG W. LEE, MD, FACS, FASCRS
Course Director
Professor of Clinical Surgery
Chief of Colon and Rectal Surgery
Keck School of Medicine of USC

KYLE G. COLOGNE, MD, FACS, FASCRS
Course Director
Assistant Professor of Surgery
Division of Colorectal Surgery
Keck School of Medicine of USC

GUEST FACULTY

MATTHEW ALBERT, MD, FACS, FASCRS
Center for Colon & Rectal Surgery
Florida Hospital Medical Group
Altamonte Springs and Orlando, FL

DAVID A. ETZIONI, MD, MSHS
Chief, Colorectal Surgery
Associate Professor of Surgery
Mayo Clinic, Scottsdale, AZ

PHILLIP FLESHNER, MD, FASCRS
Director, Colorectal Surgery Research
Shierley Jesslyne and Emmeline Widjaja Chair in Colorectal Surgery
Cedars-Sinai, Los Angeles, CA

PETER MARCELLO, MD, FACS
Assistant Professor of Surgery
Tufts University School of Medicine
Department of Colon & Rectal Surgery, Lahey Clinic
Burlington, MA

DAVID E. RIVADENEIRA, MD, MBA, FACS, FASCRS
Vice Chair of Suffolk County Surgical Strategic Initiatives for North Shore LIJ Health System
Director, Colorectal Surgery, Department of Surgery, Huntington Hospital
Director, Surgical Services, Huntington Hospital Long Island, NY

HOWARD M. ROSS, MD, FACS, FASCRS
Chief, Division of Colorectal Surgery
Professor, Clinical Surgery
Program Director, General Surgery Residency Program
Surgical Director, Digestive Disease Center
Temple University Hospital, Philadelphia, PA

MICHAEL J. STAMOS, MD, FASCRS
The John E. Connolly Chair, Surgery
University of California, Irvine
Professor of Surgery

PETAR VUKASIN, MD
Colorectal Surgery Institute at Glendale Memorial Hospital
Glendale, CA

KECK SCHOOL OF MEDICINE OF USC FACULTY
Los Angeles, CA

AFSANEH BARZI, MD, PhD
Assistant Professor of Clinical Medicine
Division of Hematology/Oncology

M. PHILIP DULDULAO, MD
Assistant Professor of Clinical Surgery
Division of Colorectal Surgery

CAROLINE HWANG, MD
Assistant Professor of Clinical Medicine
Division of Gastroenterology

GREGORY IDOS, MD
Assistant Professor of Clinical Medicine
Division of Gastroenterology

ANDREAS M. KAISER, MD, FACS, FASCRS
Professor of Clinical Surgery
Division of Colorectal Surgery

HEINZ-JOSEF LENZ, MD
Professor of Medicine
J. Terrence Lanni Chair in Gastrointestinal Cancer Research
Co-Director, USC Center for Molecular Pathway and Drug Discovery
Division of Hematology/Oncology

NEHA NANDA, MD
Clinical Associate Professor of Medicine
(Clinician Educator)
Division of Infectious Diseases
FACULTY

KECK SCHOOL OF MEDICINE OF USC FACULTY
Los Angeles, CA

ADRIAN E. ORTEGA, MD, FASCERS
Associate Professor of Clinical Surgery
Division of Colorectal Surgery

ARA SAHAKIAN, MD
Assistant Professor of Clinical Medicine
Division of Gastroenterology

JOONGHO SHIN, MD
Assistant Professor of Clinical Surgery
Division of Colorectal Surgery

SARAH SHEIBANI, MD
Assistant Professor of Clinical Medicine
Division of Gastroenterology

REGISTRATION INFORMATION

CONFERENCE LOCATION
USC Health Sciences Campus
Catherine and Joseph Aresty Conference Center, in the lower ground level of the Harlyne J. Norris Cancer Research Tower.
1450 Biggy Street, Los Angeles, California 90089.
Internet access is provided in the meeting room. Electricity availability is limited.

PARKING
Biggy Parking Structure (P8), 1334 Biggy Street at Zonal Avenue, Los Angeles on the USC Health Sciences Campus.

REGISTER FOR COURSE
Online:    www.usc.edu/cme
Go to “Quick Links,” Click on Conference Calendar
Mail: Office of CME, 1540 Alcazar St., CHP 223, Los Angeles, CA 90033
Phone: (323) 442-2555 or Toll-Free at 1 (800) USC-1119
Fax: 1(888) 665-8650
Web:    www.usc.edu/cme
On site payment: Aresty Conference Center Foyer, April 21-22, 2017 at 6:30 am

ACCREDITATION STATEMENT
The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 16.25 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.
Provider approved by the California Board of Registered Nursing, Provider Number CEP00105 for 16.25 contact hours.
