4:45 pm: Closing Remarks
5:00 pm: Adjourn
The Keck School of Medicine of USC colorectal symposium, An Update and Comprehensive Review, aims to provide an update on colorectal surgery topics with a focus on new technology, updated management strategies and education on advanced surgical techniques. The program is a one-and-a-half day event with didactic lectures, panel discussions, and Q&A sessions with participants.

We will cover colorectal surgery topics that include minimally invasive surgery, colorectal cancer, inflammatory bowel disease, anorectal disorders and other benign colorectal diseases. Participants will leave with a broad understanding of these disease processes and how to treat them in day-to-day practice.

TARGET AUDIENCE
This course is intended for colorectal surgeons and allied health professionals including, but not limited to, nurses and technicians in the division of colorectal surgery caring for adults who seek up-to-date knowledge to enhance their understanding of topics in colorectal medicine and related treatment and management options for their patients.

COURSE OBJECTIVES
By the end of the course, participants will be able to:

- Recognize and diagnose common benign and malignant colorectal diseases.
- Incorporate new and advanced surgical techniques in the treatment of colorectal disorders.
- Discuss current advances in the treatment of colorectal, rectal and anal problems.

EXemplary quality metrics for various colorectal conditions and identify factors that influence standards.

ACCREDITATION STATEMENT
The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 14.50 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Self-Assessment CME Credit, Part 2 of the American Board of Surgery (ABS) Maintenance of Certification (MOC) Program. This activity has also been designated as Self-Assessment CME credit, applicable to Part 2 of the ABS MOC Program. For additional information on the ABS MOC program and its requirements, visit the ABS website at http://www.absurgery.org/abscertification.

FACULTY

COACH SCHOOL OF MEDICINE OF USC FACULTY

ANDREAS M. KAISER, MD, FACS, FASCRS
Professor of Clinical Surgery
Division of Colon & Rectal Surgery
University of Southern California

GLENN A. AULT, MD, MIEG, FACS
Professor of Clinical Surgery
Division of Colon & Rectal Surgery
University of Southern California

KYLE G. COLOMNE, MD, FACS, FASCRS
Associate Professor of Clinical Surgery
Division of Colon & Rectal Surgery
Keck School of Medicine of USC

SANG W. LEE, MD, FACS, FASCRS
Course Director

SONIA RAMASAMMY, MD
Chief, Division of Colon & Rectal Surgery
Department of Surgery
Pennsylvania Hospital

DAVID E. RIVADENEIRA, MD, MBA, FACS, FASCRS
Professor of Clinical Surgery
Director, Robotic Surgery Simulation
Keck School of Medicine of USC

ANDREW J. HUNG, MD
Assistant Professor of Clinical Surgery
Director, Robotic Surgery Simulation
Department of Surgery

CHRISTINE KEEFE, MD
Assistant Professor of Clinical Surgery
Division of Gastroenterology
University of California, San Diego

JOONHOO SHIM, MD, FACS, FASCRS
Assistant Professor of Clinical Surgery
Department of Surgery
City of Hope

CIARA W. FREEMAN, MD
Assistant Professor of Clinical Surgery
USC Health Sciences Campus, Aresty Conference Center

GREGORY A. MONTROSE, MD
Assistant Professor of Clinical Surgery
Division of Gastroenterology
University of California, San Diego
