PROGRAM

Saturday, March 14, 2020

Morning Session III: Health Systems
Moderators: Kyle G. Cologne, MD and Dana M. Hayden, MD, MPH

11:00 am  Reimbursement 101: Secrets Medicare Doesn’t Want You to Know
            Nivedth V. Palveoi, MD

11:20 am  Reducing SSI: How We Did It
            Kevork Kazanjian, MD

11:40 am  Maintenance of Board Certification: I Need to Do What Exactly?
            Glenn T. Ault, MD

12:00 pm  Panel Discussion

12:10 pm  Lunch

Afternoon Session I: Bring Us Your Worst Cases: Nightmare Scenarios
Moderators: Joongho Shin, MD and Sang W. Lee, MD

1:00 pm  Ask the Expert Panel: Nightmare Stomas, Bad Hemorrhoids, and Delayed Leaks...Oh My!
            Joseph C. Carmichael, MD
            Andreas M. Kaiser, MD
            Ronald A. Gagliano, Jr., MD
            Kevork Kazanjian, MD
            David E. Rivadeneira, MD
            Dana M. Hayden, MD, MPH

Afternoon Session II: Benign Disease
Moderators: Christine Hsieh, MD and Kyle G. Cologne, MD

2:00 pm  Total Colectomy for C-Diff and Chronic Constipation: Is Resection Still Indicated?
            M. Philip Duldulao, MD

2:15 pm  Extended DVT Prophylaxis: Not as Beneficial as We Once Thought?
            Dana M. Hayden, MD, MPH

2:30 pm  Diverticulitis in 2020: Just Tell Me What to Do
            David E. Rivadeneira, MD

2:45 pm  Panel Discussion and Case Scenarios

3:00 pm  Break

Afternoon Session III:
Managing Complications
Moderators: Sang W. Lee, MD and David E. Rivadeneira, MD

3:30 pm  Anastomotic Leaks: I Never Have Them, but If I Did, Here’s What I’d Do
            Ronald A. Gagliano, Jr., MD

3:45 pm  Rectal Foreign Bodies: When You Can’t Get It Out
            M. Philip Duldulao, MD

4:00 pm  Managing Difficult/Unexpected OR Scenarios
            Sang W. Lee, MD

4:20 pm  Social Media Dos and Don’ts
            Kyle G. Cologne, MD

4:30 pm  Early Post-Op Bowel Obstruction—When to Bite the Bullet vs. Run for the Hills?
            Nivedth V. Palveoi, MD

4:45 pm  Closing Remarks
            Joongho Shin, MD and Kyle G. Cologne, MD

5:00 pm  Adjourn
COURSE DESCRIPTION

The Keck Medicine of USC Colorectal Symposium: An Update and Comprehensive Review aims to provide an update on colorectal surgery topics with a focus on new technology, updated management strategies and education on advanced surgical techniques. The program is a one-and-a-half-day event with didactic lectures, panel discussions, and Q&A sessions with participants. The following colorectal surgery topics will be discussed: minimally invasive and robotic surgery, colorectal cancer screening and surgery, bowel prep, emergency colorectal surgery, diverticulitis, benign anorectal conditions and more. Participants will leave with a broad understanding of these disease processes and how to treat them in day-to-day practice.

TARGET AUDIENCE

This course is intended for general and colorectal surgeons and allied health professionals including, but not limited to, nurse practitioners, physician assistants, endoscopy nurses involved in the care of patients with colorectal diseases.

COURSE OBJECTIVES

By the end of the course, participants will be able to:

• Interpret current practice recommendations and techniques for pre-malignant and malignant colorectal conditions.
• Integrate current management guidelines and operative indications into practice for benign colorectal conditions such as hemorrhoids, IBD, fistula and diverticulitis.
• Distinguish new minimally invasive techniques and outline their role in management of colorectal conditions.
• Discuss quality metrics for various colorectal conditions including IBD, rectal cancer, and identify future trends in assessment standards.

ACCREDITATION STATEMENT

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 11.25 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Self-Assessment CME Credit, Part 2 of the American Board of Surgery (ABS) Maintenance of Certification (MOC) Program: This activity has also been designated as Self-Assessment CME credit, applicable to Part 2 of the ABS MOC Program. For additional information on the ABS MOC program and its requirements.
