COURSE DESCRIPTION
The Mount Sinai Urology Department will host a live interactive state-of-the-art educational symposium. The program will include 3D demonstrations of the latest robotic surgery techniques for prostate, kidney and bladder cancer. Directed by the world’s leading robotic experts and taught by an internationally renowned faculty. Format includes point – counterpoint debates, didactic lectures and abstract presentations.

OBJECTIVES
At the conclusion of the course, participants should be able to:
• Utilize screening techniques for prostate cancer more efficiently to reduce the numbers of biopsies and diagnosis of clinically insignificant prostate cancer.
• Discuss effective management of treatment failure in prostate cancer to help reduce mortality.
• Describe the most recent approach to treating locally advanced and metastatic urologic disorders.
• Identify the technical challenges of robotic urologic oncologic surgery.

TARGET AUDIENCE
National and International Urologists, Urologic Surgeons, Urologic Oncologists, Mid-Level Providers

REGISTRATION FEES
$625        MD, PhD
$250        Residents/Fellows
$150        Nurses, PAs and Allied Health Professionals
Mount Sinai faculty, residents, employees and voluntary faculty are eligible for scholarship, and must have a coupon code. Contact Carrie Brennan, Department of Urology for information at caroline.brennan@mountsinai.org

MEETING LOCATION
Mount Sinai Hospital
Stern Auditorium
1468 Madison Avenue @ 100th Street

ACCREDITATION
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 26.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VERIFICATION OF ATTENDANCE
Verification of attendance will be provided to all professionals.

SPECIAL NEEDS
The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

FACULTY DISCLOSURE
It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
