

# Best of All Things Orthopaedics: Advanced Concepts “All Things, All Things”

10th Year  
Anniversary

virtual but up close  
and interactive webinar

Saturday, March 6, 2021  
8am – 1:30pm

This activity was planned by and for the healthcare team, and learners will receive 4.75 Interprofessional Continuing Education (IPCE) credits for learning and change.

DONALD AND BARBARA  
ZUCKER SCHOOL of MEDICINE  
AT HOFSTRA/NORTHWELL

## Program Agenda

- 8:00am** **Welcome and Introduction**  
Nicholas Sgaglione, MD
- Session I All Things Pediatric Orthopaedics**  
Moderators: Terry Amaral, MD and Vishal Sarwahi, MD
- 8:05am** **Innovations in Pediatric Orthopaedics – Two Eyes are Better Than One: Increasing Safety in Scoliosis Surgery Through Innovative Imaging**  
Vishal Sarwahi, MD
- 8:15am** **Pediatric Orthopaedics Case Presentations and Interactive Q&A**  
Melanie Buckland, DPT; Wojciech Czoch, MD; Jon-Paul DiMauro, MD; Lior Shabtai, MD; Allison Spitzer, MD
- Session II All Things Joints**  
Moderators: Michael Mont, MD and Gil Scuderi, MD
- 9:05am** **Innovations in Joint Arthroplasty – Robotic Surgery**  
Jonathan Danoff, MD
- 9:15am** **Arthroplasty Case Presentations and Interactive Q&A**  
Stanley Asnis, MD; James Germano, MD; Eric Grossman, MD; Donald O’Brien, PT
- 
- 10:05am** **40-minute break – Virtual Exhibit Hall**
- 
- Session III All Things Spine**  
Moderators: Thomas Mauri, MD and Jeffrey Silber, MD
- 10:45am** **Innovations in Minimally Invasive Spine Surgery**  
Sohrab Virk, MD
- 10:55am** **Spine Case Presentations and Interactive Q&A**  
Daniel Brandenstein, MD; David Essig, MD; Michael Kamme, PT; Garrett Leonard, MD; Jason Lipetz, MD; Rohit Verma, MD
- Session IV All Things Sports Medicine**  
Moderators: Steven Rokito, MD and Etan Sugarman, MD
- 11:45am** **Innovations in Orthobiologics**  
Kenneth Zaslav, MD
- 11:55am** **Sports Medicine Case Presentations and Interactive Q&A**  
Roger Gerland, MS, PT, ATC; Michael Gonzalez, MS, ATC; Jake Ni, MD; Timothy Mulry, DO; Nicholas Sgaglione, MD
- 12:45pm** **Keynote Address**  
**Clinical Pearls Symposium: Our Most Challenging Cases and How We Dealt with Them**  
Moderators: Gil Scuderi, MD and Nicholas Sgaglione, MD  
Panel: Randy Cohn, MD; Ariel Goldman, MD; Andrew Goodwillie, MD; Michael Nett, MD; Amy West, MD, EdM
- 1:30pm** **Adjourn/ Closing Remarks**  
Nicholas Sgaglione, MD

## Best of All Things Orthopaedics: Advanced Concepts – “All Things, All Things” Webinar | Saturday, March 6, 2021 | 8am – 1:30pm

**Statement of Need:** Orthopedic surgeons, as well as the team of clinicians involved throughout the patient continuum of care, are now presented with a multitude of new surgical and non-surgical options that are taken into consideration when providing treatment for orthopedic and musculoskeletal patient populations. Due to a lack of knowledge surrounding these new innovations within the field of orthopedics, as well as minimal evidence-based outcomes research, caregivers are now finding themselves having to make difficult decisions when treating a patient and developing his/her plan of care, often times evoking peer-to-peer controversy.

While the patient population’s need for orthopedic services increases, clinicians and allied health care professionals need to be educated on the ever-changing clinical advances in joint replacement, sports medicine, spine medicine and trauma medicine; the controversies imposed by a new technological landscape and their potential impact on the orthopedic/musculoskeletal care delivery model while ultimately sustaining an ongoing effort to maximize patient outcomes. This course will address recent changes in orthopedic care management and decision making, innovative surgical techniques and clinical advances, in tandem with rehabilitative modalities presented through didactic lectures and point/counterpoint debates, all supported by evidence-based research and outcome measures in alignment with patient-centric goals.

### Program Objectives:

- **Describe** the difference in clinical outcomes for the osteoarthritis patient population who elect to have joint replacement surgery vs. non-operative treatment methods.
- **Identify** the appropriate patient candidates for robotic surgery, specific instrumentation or conventional arthroplasty based on patient presentation and comorbidities.
- **Identify** the roles of all members of the orthopedic healthcare team and effectively collaborate to improve patient outcomes and ensure optimal practice.
- **Apply** the knowledge gained from the case discussions about various orthopedic issues to the care of future patients within the framework of best practices and hospital policies.

**Target Audience:** Orthopedists; Sports Medicine Specialists; Joint Replacement Specialists; Trauma Specialists; Physiatrists; Pediatricians; Primary Care Physicians; Rheumatologists; Nurses; Nurse Practitioners; Physician Assistants; Physical Therapists; Occupational Therapists; Athletic Trainers; Coaches; Physical Education Teachers and Allied Health Care professionals

**Joint Accreditation Statement:** In support of improving patient care, Northwell Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

### Credit Designation Statements

**Physicians:** Northwell Health designates this activity for 4.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

**Nurses:** Northwell Health designates this activity for 4.75 ANCC contact hours.

**Physician Assistants:** Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA.

**CME Criteria:** This activity is designated for 4.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

**Physical Therapy Credit Designation:** Long Island Jewish Medical Center, a member of Northwell Health, is recognized by the New York State Board Education Department’s State Board for Physical Therapy as an approved provider of physical therapy and physical therapist assistant continuing education. This event is awarded 5.7 contact hours. Certificates of completion will be e-mailed to participants of the corresponding disciplines after the event.

**Occupational Therapy Credit Designation:** This course and speaker(s) have been approved by the New York State Occupational Therapy Association to award NYS Continuing Competency Hours to NYS Occupational Therapists and Occupational Therapy Assistants. 4.75 Credits may be awarded based on the rules and regulations of the program and within the active period as listed below.

**Athletic Trainer Credit Designation:** Northwell Health Rehabilitation Network (BOC AP#: P8350) is approved by the Board of Certification, Inc. to provide continuing education to Certified Athletic Trainers. This program is eligible for a maximum of 4.75 EBP Category hours/CEUs. ATs should claim only those hours actually spent in the educational program. Certificates of completion will be e-mailed to participants of the corresponding disciplines after the event.

**Verification of Attendance:** Will be provided to all other professionals.

**Americans with Disabilities Act:** This conference is in compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to participate in this conference and require any special needs or accommodations, please contact the Office of CME at (516) 266-2263.

**Faculty Disclosure Policy:** Northwell Health adheres to the ACCME’s Standards for Commercial Support. Any individuals in a position to control the content of a CME activity, including faculty, planners, reviewers or others, are required to disclose all relevant financial relationships with commercial interests. All relevant conflicts of interest will be resolved prior to the commencement of the activity.

### Registration Fees:

\$55 for Northwell Health employees & voluntary faculty;

\$35 for Northwell Residents and Fellows

\$ 0 for medical, nursing, PA students, with verification

\$95 for all others

Registration fee includes access to virtual meeting, references and virtual exhibit hall.

**Cancellation Policy:** To receive a refund, all cancellations must be confirmed in writing to the Office of Continuing Medical Education by Friday, February 26, 2021. An administrative fee of \$25 will be kept for all cancellations. No refunds will be given after this date or for “no-shows.”

## Best of All Things Orthopaedics: Advanced Concepts – “All Things, All Things”

Webinar | Saturday, March 6, 2021 | 8am – 1:30pm

### Course Director

#### Nicholas A. Sgaglione, MD\*+

Chair, Orthopedic Surgery  
Northwell Health  
Senior Vice President  
Orthopedic Service Line  
Professor and Chair, Orthopedic Surgery  
Zucker School of Medicine

### Course Faculty and Planners

\* indicates Northwell Health Physician Partners Orthopaedic Institute
