South Shore University Hospital

Pituitary Adenomas – Multidisciplinary Approach 2021

Live Interprofessional Virtual Conference, offered via Zoom

Tuesday, October 26, 2021
8am–1:50pm (EDT)

Course Director
Georgios Klironomos, MD, MSc, PhD

This activity was planned by and for the healthcare team, and learners will receive 5.5 Interprofessional Continuing Education (IPCE) credits for learning and change.

MOC credits available for:

American Board of Internal Medicine (ABIM)

American Board of Ophthalmology (ABO)

American Board of Otolaryngology – Head and Neck Surgery (ABOHNS)

South Shore
University Hospital
Northwell Health®

DONALD AND BARBARA
ZUCKER SCHOOL of MEDICINE
AT HOFSTRA/NORTHWELL

Program Agenda

- 8am Opening Remarks**
Georgios Klironomos, MD, MSc, PhD
David J. Chalif, MD, FACS
- 8:15am Surgery for Pituitary Adenomas: State-of-the-Art**
Georgios Klironomos, MD, MSc, PhD
- 8:45am Hyperprolactinemia**
Nicoleta Ionica, MD
- Pituitary Adenomas**
Clara Lengyel-Kremenic, MD
- 9:25am Sella Imaging**
Panagiotis Sideras, MD
- 9:55am The Role of Otolaryngology in Modern Pituitary Surgery**
Judd H. Fastenberg, MD
- 10:25am Break**
- 10:55am Cushing Disease: Petrosal Sinus Sampling**
Ina Terón Molina, MD, MPH
- 11:25am The Role of Radiation Therapy in the Treatment of Pituitary Adenomas**
William Chun-Ying Chen, MD
- 11:55pm Neuro-ophthalmic Manifestation of Pituitary and Other Tumors of the Sella and Their Management**
Rashmi Verma, MD
- 12:25pm Break**
- 12:35pm Pituitary Tumors: Case Presentations and Panel Discussions**
Robert G. Kerr, MD, PhD, FRCPSC
Georgios Klironomos, MD, MSc, PhD
- 1:45pm Closing Remarks**
Georgios Klironomos, MD, MSc, PhD
- 1:50pm Conference Conclusion**

Visit <https://bit.ly/3krNZnV> to register

Statement of Need: Knowledge deficits continue to exist in the evaluation, treatment and post-care of neuroscience patients. This activity brings together physicians from various specialties to discuss best practice analysis, breakthroughs and current advances. New technology and multimodality treatments will be discussed, allowing participants of all disciplines to integrate evidence-based protocols into clinical practice in the management of patients with pituitary tumors.

Program Objectives: All Northwell Health CME activities are intended to improve patient care, safety and outcomes. At the conclusion of this conference participants should be able to:

- **Describe** state-of-the-art endoscopic pituitary surgery.
- **Explain** the diagnostic process for patients with pituitary adenomas.
- **Explain** imaging of sella pathology.
- **Employ** best practices in the management of patients with pituitary adenomas.
- **Discuss** the benefits of a multidisciplinary approach in managing patients with pituitary adenomas.

Target Audience: MD/DOs, PAs, NPs, RNs, PTs, fellows, students, and residents.

Credit Designations

Joint Accreditation Statement: In support of improving patient care, Northwell Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: Northwell Health designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nurses: Northwell Health designates this activity for 5.5 ANCC contact hours.

Physician Assistants: Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 5.5 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Physical Therapy Designation Statement: Long Island Jewish Medical Center, member of Northwell Health, is recognized by the New York State Education Department's State Board for Physical Therapy as an approved provider of physical therapy and physical therapist assistant continuing education. This course is awarded 6.24 contact hours. It is the responsibility of each participant to track contact hours as required by one's individual state licensing agency and to store this document for future reference. A service fee will be charged to replace this document. Attendees should claim only those hours actually spent in the activity.

Verification of Attendance: Will be provided to all professionals.

Location: Live interprofessional virtual conference. This course will be offered via Zoom, and a link to join the meeting will be emailed to you prior to the conference.

MOC Information

American Board of Internal Medicine

(ABIM) MOC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn 5.5 MOC medical knowledge points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Ophthalmology (ABO):

Successful completion of this CME activity, which includes participation in the evaluation component, earns credit toward the Lifelong Learning requirement[s] for the American Board of Ophthalmology's Continuing Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting credit.

American Board of Otolaryngology – Head and Neck Surgery (ABOHNS):

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn their required annual part II self-assessment credit in the American Board of Otolaryngology – Head and Neck Surgery's Continuing Certification program (formerly known as MOC). It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of recognizing participation.

Course Offering and Registration Fees:

- **No charge** Northwell Health employees, students, residents and fellows
- **\$25** Non-Northwell physicians, nurses, nurse practitioners, physician assistants, allied health professionals and all other clinical professionals
- **\$50** Everyone else

Registration Fee includes: CME/verification certificates. Pre-registration is required, and a confirmation letter will be sent to your email address once registered. Phone registrations are not accepted.

Disclosure Policy: Northwell Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME-CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities. All relevant financial relationships have been mitigated prior to the commencement of the activity.

Americans with Disabilities Act: This conference is in compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations, please contact the Office of CME at **(516) 266-2263**.

Cancellation Policy: To receive a refund, all cancellations must be confirmed in writing via email to Belinda Spatola at **bspatola@northwell.edu** by Friday, October 22, 2021. An administrative fee of \$10 will be kept for all cancellations. No refunds will be made after this date or for "no-shows."

Course Director

Georgios Klironomos, MD, MSc, PhD
Neuro-oncology, Skull Base and
Cerebrovascular Neurosurgeon
South Shore University Hospital
Assistant Professor, Neurosurgery
Zucker School of Medicine

Faculty

David J. Chalif, MD, FACS
Chair, Neurosurgery
South Shore University Hospital
Professor, Neurosurgery
Zucker School of Medicine

William Chun-Ying Chen, MD
Vice Chair, Radiation Medicine,
Quality and Safety
South Shore University Hospital
Assistant Professor, Radiation Medicine
Zucker School of Medicine

Judd H. Fastenberg, MD
Rhinology & Endoscopic Skull Base Surgeon
Department of Otolaryngology – Head &
Neck Surgery
Long Island Jewish Medical Center,
North Shore University Hospital

Nicoleta Ionica, MD
Attending
Division of Endocrinology, Diabetes &
Metabolism
South Shore University Hospital

Robert G. Kerr, MD, PhD, FRCPSC
Section Chief, Neurosurgery
Huntington Hospital
Assistant Professor, Neurosurgery
Zucker School of Medicine

Clara Lengyel-Kremenec, MD
Attending
Division of Endocrinology, Diabetes &
Metabolism
South Shore University Hospital
Assistant Professor, Medicine
Zucker School of Medicine

Melanie Lopez-Humann, PA-C, MBA
Senior Director, Operations
Neuroscience Program
South Shore University Hospital

Ina Terón Molina, MD, MPH
Endovascular Neurologist
South Shore University Hospital
Assistant Professor, Neurosurgery
Zucker School of Medicine

Kristal Santiago, FNP, CNRN
Neurosurgery Nurse Practitioner
South Shore University Hospital

Panagiotis Sideras, MD
Neuroradiologist
South Shore University Hospital

Rashmi Verma, MD
Neuro-ophthalmologist
South Shore University Hospital
Assistant Professor, Ophthalmology
Zucker School of Medicine

Conference Planning Committee

David J. Chalif, MD, FACS
Georgios Klironomos, MD, MSc, PhD
Melanie Lopez-Humann, PA-C, MBA
Jennifer Salay
Kristal Santiago, FNP, CNRN
