10th annual **SHINING THE LIGHT ON WOUND CARE** Symposium

[Please click here to register](#)

Statement of need: Wounds occur due to many different etiologies and underlying disease processes. New technologies, treatments, techniques, and protocols are continuously developed for inpatient and outpatient locations and require ongoing education to maintain knowledge and skills. Deficiency of such, may lead to slower healing rates and poorer patient outcomes. Wound care is multidisciplinary in nature, thus requiring an all-encompassing educational opportunity that is not specific to one specialty, but capable of disseminating current information to all. Whereas specific discipline related education may not include this multidisciplinary content nor have focused content on this subject.

Program objectives: All Northwell Health CME activities are designed to improve patient care, safety and outcomes. At the conclusion of this conference, participants should be able to:

- **Assess** skin injuries and determine etiology while applying current standards of care to improve patient outcomes.
- **Develop** Hands-on skills used for patient care and incorporate these techniques into everyday practice.
- **Analyze** current trends in diabetic care and incorporate these into current practice.
- **Target audience** This program is designed for Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses, Registered Dietitian's and Registered Dietetic Technicians. All other members of the healthcare team including Physical Therapists, Podiatrists, Residents, Fellows and Medical Students are invited to attend.

Joint Accreditation Statement: In support of improving patient care, Northwell Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation Statements:

- **Physicians:** Northwell Health designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
- **Nurses:** Northwell Health designates this activity for 6.75 ANCC contact hours.

- **Physician Assistants:** Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.75 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.
- **Physical therapy credit designation:** Long Island Jewish Medical Center, a member of Northwell Health is recognized by the New York State Education Department's State Board for Physical Therapy as an approved provider of physical therapy and physical therapist assistant continuing education. This event is awarded a maximum of 8.1 contact hours. Please note the total number of contact hours will vary depending upon the participant track selection. Participants should only claim credit commensurate with the extent of their participation in the activity. Certificates of completion will be e-mailed to participants of the corresponding disciplines after the event.
- **Registered Dietitians and Dietetic Technicians, Registered:** Northwell Health designates this activity for 6.75 CPEU contact hours. RDs and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.
- **Podiatry credits:** Northwell health has been approved by the Continuing Education Committee of the State for Podiatry. A total maximum of 7.5 A credits will be granted to those who attend.

Disclosure Policy: Northwell Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME-CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies. All relevant financial relationships have been mitigated prior to the commencement of the activity.

Registration fees:

Northwell Employees	\$150	Residents/Fellows	\$50
Non-Northwell Employees	\$175	Medical/Nursing Students	Free
