## Best of Gastroenterology and Hepatology Conference 2023

Friday, June 16, 2023 | 7:45am - 5pm (EDT) | Live hybrid IPCE conference offered virtually via Zoom or in person at Zucker School of Medicine | 500 Hofstra Boulevard, Hempstead, NY 11549

**Statement of need:** The diagnosis and treatment of gastrointestinal and liver disorders has advanced rapidly. The downside of this rapid pace is that many providers, both in the community and even those in teaching centers, find it difficult to keep up with these advances. Consequently, patients may have inadequate access to the most up-to-date care. Our CME conference is designed to address the most topical, immediately impactful, and current issues in GI and liver diseases, filling these knowledge gaps through a concise one-day overview presented by regional and national experts. The knowledge gained will be immediately transferrable back to patient care.

**Program objectives:** All Northwell Health CME activities are intended to improve patient care, safety, and outcomes. At the conclusion of this conference, participants should be able to:

- **Define** the role of newer antiviral medications in the treatment of hepatitis B.
- **Describe** the criteria of living donor liver transplantation.
- **Identify** the proper clinical scenarios and implementation of endoscopic mucosal resection for complex colon polyps.
- **Summarize** diagnostic criteria for high-risk pancreatic cancer cohorts and current screening approaches.
- **Summarize** the evolving colon cancer surveillance protocols for those with inflammatory bowel disease.
- **Describe** the treatment approach to patients with inflammatory bowel disease with a focus on the newer small molecule therapies.
- **Develop** an approach to patients with esophageal motility disorders, and explain the role of endoflip in the diagnosis of these disorders.
- **Detail** the mechanisms and management of acid reflux post-bariatric surgical interventions.

**Target audience:** This program is designed for MDs/DOs, PAs, NPs, and RNs. All other members of the health care team who are interested in education about gastroenterology and hepatology are welcome to attend.

### Joint accreditation statement:

In support of improving patient care, Northwell Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the health care team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

**Physicians:** Northwell Health designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

**Nurses:** Northwell Health designates this activity for 7.25 ANCC contact hours.

**Physician assistants:** Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME criteria. This activity is designated for 7.25 AAPA Category 1 CME credits. PAs should claim only credit commensurate with the extent of their participation.

### American Board of Internal Medicine (ABIM)

#### Maintenance of Certification (MOC) statement:

Successful completion of this CME activity, which includes participation in the self-assessment evaluation component, enables the participant to earn 7.25 MOC medical knowledge points in the ABIM MOC program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**Verification of attendance:** This will be provided to all professionals.

**Location:** Virtual or The Donald and Barbara Zucker School of Medicine at Hofstra/Northwell, 500 Hofstra Blvd, Hempstead, NY 11549. Free parking is available.

### Course offering and registration fees:

**\$50:** Northwell Health employees and regional affiliates

**\$75:** All others

**No charge:** Residents, fellows, medical students

Registration fee includes entry to the conference, conference material, and CME/Verification of attendance certificate.

**Cancellation policy:** To receive a refund, all cancellations must be confirmed via email to Maureen King, project manager ([mking9@northwell.edu](mailto:mking9@northwell.edu)), Office of Continuing Medical Education, by Monday, June 5, 2023. An administrative fee of \$10 will be kept for all cancellations. No refunds will be made after this date or for "no-shows."

**Disclosure policy:** Northwell Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME-CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies. All relevant financial relationships have been mitigated prior to the commencement of the activity.

**Americans with Disabilities Act:** This conference is in compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations, please contact the Office of CME at **(516) 730-2263**.
