Program Overview:

For the last thirty-seven years, Temple University School of Medicine and Lancaster General Hospital have been presenting one of the most widely-recognized Family Practice Review courses. Internationally-recognized Family Practice educator Dr. Nikitas Zervanos and the Office for Continuing Medical Education at Temple University School of Medicine plan and develop this program to meet the ever-changing needs of the primary care physician. This program is an excellent comprehensive review of clinical medicine.

Educational Objectives:

Following completion of this program, participants should be able to:

-- Improve the diagnosis and treatment of common family practice problems
-- Apply traditional modes of diagnosis and management more effectively
-- Apply information to commonly asked questions in office practice
-- Increase proficiency and maintain competence by updating cognitive understanding of Family Medicine
-- Feel better prepared to pass the American Board of Family Medicine exam
-- Evaluate controversial issues in family medicine

Target Audience:

Family Practitioners, General Practitioners, Internists, Physician Assistants, Nurse Practitioners, and Nurses

Accreditation Statement:

Temple University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor Continuing Medical Education for physicians.

Certification Statement:

Temple University School of Medicine designates this enduring material for a maximum of 50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Accreditation:

Temple University School of Medicine is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Registered Nurses will receive up to 50 Contact Hours.
Commercial Support:

This activity was produced by Temple University School of Medicine and was not supported by any commercial companies.

Disclosure Policy:

It is the policy of the Temple University School of Medicine, The Albert J. Finestone, M.D., Office for Continuing Medical Education that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). Temple University School of Medicine, Office for Continuing Medical Education has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.

Faculty Disclosures:

It is the policy of Temple University School of Medicine, Office for Continuing Medical Education to insure balance, independence, objectivity, and scientific rigor in all its individually sponsored educational programs. All faculty, program planning committee members, and Temple University School of Medicine Continuing Medical Education staff participating in any Temple University sponsored programs are expected to disclose to the program audience ANY real or apparent conflict(s) of interest that may have a direct bearing on the subject matter of the continuing education program. This pertains to relationships with pharmaceutical companies, biomedical device manufacturers, or other corporations whose products or services are related to the subject matter of the presentation topic. The intent of this policy is that any potential conflict should be identified openly so that the listeners may form their own judgments about the presentation with the full disclosure of the facts. ALL faculty for the 37th Annual Family Practice Review Online have provided disclosure information. Listed below are those faculty who have indicated a relationship with a commercial company. Such disclosure should not be construed as a conflict of interest, but, rather as a disclosure of a current or previous financial arrangement. All other faculty have indicated they do not have a financial relationship to disclose.
