The Dr. Robert S. and Joyce Pate Capper Heart Symposium

Saturday, Feb. 20, 2016
7:50 a.m. – 1 p.m.

Omni Hotel Fort Worth
1300 Houston Street
Fort Worth, TX 76102

Register online at www.TexasHealth.org/CME
Symposium Objectives

This symposium is for physicians, physician assistants, advanced practice nurses and registered nurses in the following specialties: cardiovascular and cardiovascular surgery, critical care medicine, emergency medicine, family medicine, geriatric, hospitalist, internal medicine, interventional radiology, neurology, primary care and vascular surgery.

Upon completion of this educational activity, participants should be able to:

**Transcatheter Aortic Valve Replacement (TAVR): State-of-the-Art**
- Explain indications and complications for TAVR
- Discuss the current data supporting TAVR as an alternative to medical management and/or surgical valve replacement
- Differentiate self-expanding versus balloon valve platforms
- Review patient follow-up, future direction and ongoing trials that are defining a changing landscape

**TAVR Patient Experience**
- Determine candidate selection criteria for TAVR
- Review the approach and process of pre-procedure and post-procedure for TAVR
- Examine the TAVR experience from a patient perspective

**Endovascular Treatment of Acute Ischemic Stroke**
- Describe appropriate patient selection criteria for stroke intervention
- Explain the ethical concerns related to treatment of acute stroke
- Describe the initial workup and treatment of acute ischemic stroke

**The New Frontier in the Treatment of Aortic Diseases**
- Review the current indications and availability of devices for endovascular repair of thoracoabdominal and complex aortic aneurysms
- Define the best treatment options for high-risk and standard-risk patients with aortic disease
- Compare outcomes of current endovascular techniques vs. open repair for complex aortic lesions
- Demonstrate current options of treatment within physician-sponsored investigational device exemptions

**Non-Invasive Cardiac Imaging: Which Test is Best?**
- Highlight some of the available non-invasive cardiac imaging modalities, including echocardiography, nuclear stress testing, CT and MRI
- Discuss the relative advantages and limitations of these techniques
- Illustrate the diagnostic application of these modalities in cardiovascular disease

**Acknowledgements**

We would like to gratefully acknowledge Dr. Robert S. and Joyce Pate Capper for their generous support of the symposium. A complete list of supporters will be available in the symposium syllabus.
Program Director

John E. Willard, M.D., FACC
Interventional Cardiologist
Medical Director, Cardiovascular Services
Texas Health Harris Methodist Hospital Fort Worth
Texas Health Physicians Group
Consultants in Cardiology
Fort Worth, Texas

Presenters

Nina S. Asrani, M.D.
Cardiovascular Disease & Non-Invasive Cardiac Imaging
Texas Health Physicians Group
Consultants in Cardiology
Texas Health Harris Methodist Hospital Fort Worth
Fort Worth, Texas

Sukesh C. Burjonroppa, M.D., FACC, FSCAI
Interventional Cardiology
Fort Worth Heart, PA
Texas Health Harris Methodist Hospital Fort Worth
Fort Worth, Texas

Elanda L. Douglas, M.S.N., A.P.R.N., FNP-BC
TAVR Coordinator
Texas Health Harris Methodist Hospital Fort Worth
Fort Worth, Texas

Ronald J. Gerstle, M.D.
Diagnostic Radiology
Radiology Associates of North Texas
Texas Health Harris Methodist Hospital Fort Worth
Fort Worth, Texas

Natalie Hosner, B.S.N., R.N., CCRN
Cardiovascular ICU
Texas Health Harris Methodist Hospital Fort Worth
Fort Worth, Texas

Brendan W. Reagan, M.D.
Interventional Cardiology
Texas Health Physicians Group
Consultants in Cardiology
Texas Health Harris Methodist Hospital Fort Worth
Fort Worth, Texas

Carlos H. Timaran, M.D.
Chief, Endovascular Surgery
G. Patrick Clagett Professor in Vascular Surgery
Associate Professor
Department of Surgery
University of Texas Southwestern Medical Center
Dallas, Texas

Doctors on the medical staff practice independently and are not employees or agents of the hospital.

Agenda

7:15 - 7:50 a.m. Registration/Breakfast/Exhibitors
7:50 - 8 a.m. Welcome/Introductions/Housekeeping
8 - 8:45 a.m. Transcatheter Aortic Valve Replacement (TAVR): State of the Art
Sukesh C. Burjonroppa, M.D. and Brendan W. Reagan, M.D.
8:45 - 9:15 a.m. TAVR Patient Experience
Elanda L. Douglas, M.S.N., A.P.R.N., FNP-BC
Natalie Hosner, B.S.N., R.N., CCRN & TAVR Patient
9:15 - 10:15 a.m. Endovascular Treatment of Acute Ischemic Stroke
Ronald J. Gerstle, M.D.
10:15 - 10:45 a.m. Break/Exhibitors
10:45 - 11:45 a.m. The New Frontier in the Treatment of Aortic Diseases
Carlos H. Timaran, M.D.
11:45 a.m. - 12:45 p.m. Non-Invasive Cardiac Imaging: Which Test is Best?
Nina S. Asrani, M.D.
12:45 - 1 p.m. Closing Remarks & Evaluation

The primary educational methods include didactic lectures with interactive question-and-answer time during and following each presentation.
Complimentary valet or garage parking

Driving Directions - From Dallas/Fort Worth International Airport: Exit South ramp to Texas-183 West; Merge onto Texas-183 West toward Fort Worth; Proceed 10.5 miles until Texas-183 West becomes I-820/Texas-121 South; Keep left to take Texas-121 South via Exit 24B toward downtown Fort Worth; Merge onto I-35W South; Take the Texas 280-Spur exit – Exit 52 – toward downtown; Merge onto Texas-280 Spur West; Take the East 6th Street exit on the left; Turn left onto Houston Street/US-287 BR S; Hotel entrance is on the right across from the Fort Worth Convention Center.

Symposium Location
Omni Hotel Fort Worth - 1300 Houston St., Fort Worth, TX 76102 - Phone: 817-535-6664

Accreditation
Physicians
Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Texas Health Research & Education Institute designates this live activity for a maximum of 4.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The presentation, “Endovascular Treatment of Acute Ischemic Stroke,” has been designated by Texas Health Research & Education Institute for 1 credit of education in medical ethics and/or professional responsibility.

Physician Assistants & Advance Practice Nurses
Both the National Commission on Certification of Physician Assistants (NCCPA) and the American Nurse Credentialing Center (ANCC) state that AMA PRA Category 1 Credit™ is acceptable for continuing medical education requirements for recertification, and Texas licensing agencies accept them for relicensure.

Nursing
Texas Health Fort Worth Center for Advancing Professional Practice is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited provider by the American Nurses Credentialing Center’s Commission on Accreditations.

4.0 nursing contact hours will be provided. Participants must attend the entire conference to receive Continuing Education credit.

Registration Information
Advance registration is encouraged. To receive a registration discount your registration must be received no later than Friday, Feb. 12, 2016. All registrations will be confirmed.

After Feb. 12 only on-site registration will be available. Please note, Texas Health Fort Worth employees are required to pay a registration fee to attend this activity.

Register by
• Website: www.TexasHealth.org/CME
• Mail: Texas Health Research & Education Institute CME Department 612 E. Lamar Blvd., Suite 1212 Arlington, TX 76011
• Call Toll-Free: 1-866-295-3269
• Fax: 682-236-6622

Registrations received via fax or phone must indicate credit card information in order to be processed. Please make checks payable to Texas Health Research & Education Institute.

For Additional Information
For additional information, contact the Office of Continuing Medical Education toll-free at 1-866-295-3269.
