Chronic Kidney Disease in the Aging Kidney
Thursday, November 17, 2016, Noon - 1 p.m.
Rutledge Auditorium
Texas Health Harris Methodist Hospital Fort Worth
1301 Pennsylvania Avenue, Fort Worth, TX 76104
~ Lunch Provided ~

Presenter: Avinash Vallurupalli, D.O.
Tarrant Nephrology Associates
Texas Health Fort Worth

Program Chair: Peter Nguyen, M.D

Objectives: Upon completion of this activity, the participants should be able to:
- Clarify chronic kidney disease staging
- Review anatomical, histological, and functional changes in aging kidneys
- Strategize methods to estimate GFR, quantify proteinuria, and stabilize CKD
- Manage complications of CKD, with caveats for the elderly

Target Audience: Physicians, advanced practice providers, nurses and clinical staff who manage kidney disease.

Format: Didactic presentation with interactive question and answer session

Accreditation:
Physicians: Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The Texas Health Research & Education Institute designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing: Texas Health Fort Worth Center for Advancing Professional Practice is an approved provider of continuing nursing education by the Texas Nurses Association – Approver, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Please RSVP: Visit TexasHealth.org/CME or fax this form to 682-236-6622 - Questions? Call 1-866-295-3269
