Course Description:
This course utilizes high fidelity simulation in a realistic OR sim room to cover four uncommon, but serious, anesthesia crises. Each scenario includes 10 to 15 minutes of a simulated crisis that will be managed by a team leader and one or two assisting providers. Simulations are realistic and will include management of airway, administration of medications and management of dysrhythmias. Each scenario will be followed by a debriefing in which participants will discuss the diagnosis, treatment, and anesthesia nontechnical skills (ANTS) such as communication and leadership. This is an opportunity for peer-to-peer feedback in a nonjudgmental manner.

Program Director and Team Leader:
James Harper, M.D., Anesthesia Champion, Texas Health Fort Worth, Amon G. Carter Medical Simulation Center, Fort Worth, Texas

Target Audience: Anesthesiologists and C.R.N.A.P.s

Objectives: Upon completion of this activity, participants should be able to:
- Demonstrate ability to identify and treat four different anesthesia crises
- Discuss differential diagnosis related to crisis events
- Demonstrate team leadership and communication skills during a crisis event

Agenda:
8 – 8:15 a.m. - Welcome and Introductions
8:15 – 8:30 a.m. - Ins and Outs of Simulation
8:30 – 9 a.m. - Orientation to Sim OR and Mannequin
9 – 10:30 a.m. - Scenario 1 & 2
10:30 – 10:45 a.m. - Break
10:45 a.m. – 12:15 p.m. - Scenario 2 & 3
12:15 – 12:45 p.m. - Closing Discussion
12:45 – 1 p.m. - Evaluation

Accreditation:
Nurse Anesthetists
This program has been prior approved by the American Association of Nurse Anesthetists for 4.50 Class A CE credits; Code Number 1033116; Expiration Date 4/22/2017.

Physicians
Texas Health Research & Education Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Texas Health Research & Education Institute designates this live activity for a maximum of 4.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

2016 Dates:
July 30
September 17
December 10

Time: 8 a.m. - 1 p.m.

Location:
Amon G. Carter Medical Simulation Training Center
1275 W. Terrell Ave.,
Fort Worth, TX 76104

Cost: $177

Registration:
- Call 1-866-295-3269
- Register online at TexasHealth.org/CME

Course is limited to only 8 participants.
