26th Annual Alcohol and Drug Issues Conference for Clinicians

Saturday, Jan. 12, 2019

Embassy Suites
200 Stoneridge Dr.
Columbia, SC 29210

*An engaging Continuing Medical Education
experience for health care professionals who are
interested in addiction medicine.*

Palmetto Health is becoming Prisma Health in early 2019

Target Audience—Physicians and health care professionals interested in patients with substance abuse disorders and methods to successfully intervene.

Educational Objectives—After attending, participants should be able to:

- Identify new laws in prescribing medication that apply to providers.
- Explain how to keep safe as a prescriber.
- Recognize and discuss street drugs that are new and relevant to their patients.
- Explain what prescribers need to be aware of in South Carolina/the Southeast Region.
- Identify the term and discuss trends in Medical Malpractice.
- Explain how healthcare providers are getting into trouble in relation to Medical Malpractice.
- Distinguish the differences between a plaintiff and defendant in Medical Malpractice.
- Describe meaning-based treatment approaches for substance misuse, particularly Solution-Focused Brief Therapy and Motivational Interviewing.
- Distinguish biochemical and biopsychosocial factors in the development and treatment of opioid dependence.
- Apply meaning-based dependency treatment in a medical context, with a goal of increasing the effectiveness of the medical intervention.
- Describe the neurological basis for various forms of relaxation based pain relief.
- Describe Relaxation-Based Pain Relief© as a clinical approach for use with patients.
- Assess the value of the overall conference and how well it met the needs of the learners.
- Recommend alternative topics that may need to be addressed before the conference in the future.

Educational Methods—Lecture presentations with time for questions and answers and small group discussion will be utilized to facilitate the exchange of information and audience participation. An audience response system will be utilized.

Disability and/or Dietary Restriction—We are committed to making this activity accessible to all individuals. If you have a disability and/or dietary restriction, please contact us with any special needs. Most requests can be accommodated if we receive notification by Monday, Jan. 7, 2019.

Accommodations—A block of rooms has been reserved at Embassy Suites, 200 Stoneridge Dr., Columbia, SC 29201. The rate for a king-sized bed is \$122 per night. Make reservations by calling Embassy Suites at 803-252-8700. Specify the Alcohol and Drug Issues Conference to receive this special rate. Rooms and rates are only guaranteed until Monday, Dec. 28, 2018. Please make your reservations early.
