FACULTY DISCLOSURE
The USF Health adheres to the ACCME Standards regarding commercial support of continuing medical education. It is the policy of the USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity, that relevant conflict(s) of interest are resolved, and that speakers will disclose any unlabeled/unapproved use of drug(s) or device(s) during their presentation. Detailed disclosure will be made in the course materials.

COURSE DIRECTOR
Donald A. Wiss, MD
Director Orthopedic Trauma
Cedars-Sinai Medical Center
Los Angeles, CA

FACULTY
John M. Itamura, MD
Associate Professor of Clinical Orthopedic Surgery
Kerlan Jobe Orthopaedic Clinic
Los Angeles, CA

Thomas Learch, MD
Director of Musculoskeletal Radiology
Cedars-Sinai Medical Center
Los Angeles, CA

David Lowenberg, MD
Clinical Professor
Department of Orthopaedic Surgery
Chief, Orthopaedic Trauma Service
Stanford University School of Medicine
Redwood City, CA

Charles Moon, MD
Assistant Director Orthopedic Trauma
Cedars-Sinai Medical Center
Los Angeles, CA

Guy Paiement, MD
Director of Orthopedic Education
Cedars-Sinai Medical Center
Los Angeles, CA

Randy Sherman, MD
Vice Chair, Department of Surgery
Cedars-Sinai Medical Center
Los Angeles, CA

Richard Sokolov, MD
Infectious Disease Attending
Cedars-Sinai Medical Center
Los Angeles, CA

A special thank you to Stryker for their generous support of this course.
AGENDA

SATURDAY, APRIL 17, 2010   MULTIPLE SCLEROSIS

07:00-08:00 am Registration / Breakfast

08:00-08:15 am Welcome and Audience Response System  
Douglas R. Jeffery, MD, PhD

08:15-09:15 am Efficacy of emerging therapies  
Patricia K. Coyle, MD

09:15-10:15 am Current Concepts in the Pathogenesis of Multiple Sclerosis  
Kottil Rammohan, MD

10:15-10:30 am Break

10:30-11:30 am Investigational treatment for relapsing-remitting MS  
Douglas R. Jeffery, MD, PhD

11:30-12:00 pm Case Presentations / Discussion  
Faculty

12:00-12:15 pm Audience Response System

PARKINSON'S DISEASE  
TREATMENT OF EARLY PD – CURRENT TRENDS

01:15-01:30 pm Welcome and Audience Response System  
Kapil D. Sethi, MD, FRCP

01:30-02:15 pm Differential Diagnosis of Parkinson's Disease  
Kapil D. Sethi, MD, FRCP

02:15-03:00 pm Neuroprotection in Parkinson's Disease: Myth or Reality?  
Kapil D. Sethi, MD, FRCP

03:00-03:15 pm Break

03:15-04:00 pm Medical Treatment of Advanced Parkinson's Disease  
Cheryl Waters, MD

04:00-04:45 pm Surgical Therapy of Parkinson's Disease  
Michele Tagliati, MD

04:45-05:15 pm Round Table Discussion and Case Presentations  
Faculty

Omni Berkshire Place  
New York, New York

Hotel Sofitel Los Angeles
8555 Beverly Blvd.
Los Angeles, CA  90048
310-278-5444

Location

Sofitel LA has stunning interiors featuring French style and Hollywood glamour. The 4-star Los Angeles hotel sits on the corner of La Cienega and Beverly Boulevard, opposite the Beverly Center. Enjoy sleek Beverly Hills hotel rooms near world-famous Rodeo Drive, Melrose Avenue, and Sunset Boulevard. New additions to this hotel include SIMON LA by Kerry Simon, STONE ROSE LOUNGE by Rande Gerber, and Le Spa at Sofitel.

Sofitel’s Los Angeles hotel rooms feature state-of-the-art technology - including high-definition TV and WiFi Internet. Our Beverly Hills hotel also boasts spacious work desks, glass-enclosed rainfall showers, and French bath amenities.

Driving Directions

From the Santa Monica Freeway (I-10): Exit La Cienega Boulevard (North). Proceed to Beverly Boulevard. Turn left on Beverly Boulevard. Hotel will be on your right.

From the San Diego Freeway (I-405): Exit Wilshire Boulevard (Westwood). Proceed to Robertson Boulevard. Turn left on Robertson Boulevard. Turn right on Beverly. Hotel will be on your left.

From the Hollywood Freeway heading South (US 101): Exit Highland Avenue and proceed south to Beverly Boulevard. Turn right onto Beverly Boulevard. Hotel will be on your right.

Registration Fees

The registration fee includes the course, breakfast, breaks and lunch for the participant only. A confirmation letter will be sent upon receipt of your registration and payment (no registration is confirmed without full payment).

Fees

Physicians  $250
Residents/Fellows  $100
Nurses and PA’s  $75

Refund Policy

Registration fees will be refunded minus a cancellation fee of $40.00 until September 6, 2011 with written notification. No refunds will be made on or after September 7, 2011. The University of South Florida Office of Continuing Professional Development (USF OCPD) reserves the right to cancel the program due to unforeseen circumstances, in which case the full enrollment fee will be refunded. The University of South Florida is not responsible for travel expenses incurred by the participants if the course is cancelled.

Accommodations for Disabilities:

Please notify the Education office at (813) 974-4296 within a minimum of 10 working days in advance of the event if a reasonable accommodation for a disability is needed.

Events, activities, and facilities of the University of South Florida are available without regard to race, color, sex, national origin, disability, age or Vietnam veteran status as provided by law in accordance with the University’s respect for personal dignity.

Course Description

Traumatic injuries remain the primary cause of death in young adults between ages of 18-50. EMTALA legislation passed by Congress was intended to reduce inappropriate patient referrals to level-1 trauma centers. However, this legislation has had the paradoxical effort of making legitimate transfer of seriously injured patients more difficult. As a result, more patients with complex injuries remain at the admitting hospital placing the responsibility for care on the surgeons practicing at non-trauma hospitals. This has increased the need for these surgeons who take emergency call to be current with contemporary methods of fracture management.

This course will address the latest techniques and algorithms for the care of patients with complex musculoskeletal problems through a combination of didactic lectures, expert panel case studies and audience questions.

Target Audience

This activity is intended for orthopedic surgeons, emergency room physicians, physician assistants, nurse practitioners and registered nurses.

Objectives

Upon completion of this conference, participants will be able to:

• **Assess** the patients injuries and medical co-morbidities to determine the optimal method of treatment.

• **Clarify** the treatment options in the management of orthopedic patients regarding antibiotic selection, DVT prophylaxis and wound coverage.

• **Evaluate** the treatment algorithms for the management of long bone fractures and peri-articular injuries. The orthopedic surgeon will learn how to prioritize fracture treatment and determine when and where external fixators, intra-medullary nails and plating techniques should be used.

Accreditation

**Physician:** This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of USF Health and Orthopaedic Trauma, Cedars-Sinai Medical Center. USF Health is accredited by the ACCME to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
