23rd Twenty-third Annual Advances in Urology
April 17th-20th 2013
Casa Marina, Key West, Florida

COURSE DIRECTORS:
Jorge L. Lockhart, MD & Raul C. Ordorica, MD
Professor and Chairman, Department of Urology, USF Health, Morsani College of Medicine, Tampa, FL
Assistant Professor, Department of Urology, USF Health, Morsani College of Medicine, Tampa, FL

JOINTLY SPONSORED BY
USF Health
Nemours Children’s Hospital
Course Description

One of the greatest challenges for the practicing urologist is staying abreast of the latest advances in the field. This course is designed for practicing urologists, who are interested in updating their knowledge in the diagnosis, evaluation and management of urologic problems. Distinguished faculty will present advances in the management of urological disease; including sexual function, uro-oncology, laparoendoscopic single-site surgery, robotic and reconstruction surgery with a strong emphasis on the technical aspects of various urological procedures. There will be ample time for questions and answers.

Objectives  **Upon completion of this program, participants should be able to:**

- **Assess** and correct various problems with incontinence, pelvic prolapse, and voiding dysfunction in the adult
- **Recognize** surgical complications of incontinence and prolapse surgery
- **Identify** appropriate patients with advanced Renal Cell Carcinoma for treatment with targeted therapies
- **Incorporate** into clinical practice advances in the management of prostate, bladder and kidney cancer
- **Analyze** advances in the minimally invasive treatment of prostate cancer in order to optimize outcomes for the treatment of localized prostate cancer
- **Discuss** benefits and challenges related to laparoendoscopic single-site surgery (LESS)
- **Recognize** the present role of laparoscopic, robotic, and minimally invasive surgery in urology
- **Review** practical applications for medical stone management and techniques for managing renal and ureteral calculi
- **Properly** screen patients to determine the best surgical option that will result in the best patient outcome
- **Utilize** the latest methodology in the diagnosis and treatment of pediatric urology disorders

Target Audience

Urologists, Pediatric Urologists, Physician Assistants, and Allied Healthcare Professionals

Accreditation

**Physicians:** This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of USF Health and Nemours Children’s Hospital. USF Health is accredited by the ACCME to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 15 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Physician Assistants:** AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credits™* from organizations accredited by ACCME or a recognized state medical society. Physician Assistants may receive a maximum of 15 hours of credit for completing this program.
Faculty Disclosure

USF Health adheres to the ACCME Standards regarding commercial support of continuing medical education. It is the policy of USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity, that relevant conflict(s) of interest are resolved, and that speakers will disclose any unlabeled/unapproved use of drug(s) or device(s) during their presentation. Detailed disclosure will be made in the course materials.
