September 1 - 2, 2017

Current Concepts In Sleep and Epilepsy

NEW LOCATION!
Sheraton Sand Key Resort - Clearwater, FL

For more information, log onto www.cme.hsc.usf.edu

Jointly provided by:

USF HEALTH
Tampa General Hospital

Approved for AMA PRA Category 1 Credits™.
COURSE DESCRIPTION

The 2017 Current Concepts in Sleep Conference is aimed at advancing the interdisciplinary understanding of sleep related medical disorders. Information on advanced laboratory techniques will be provided to the sleep technologists and updated diagnostic tools will be presented to practitioners. The latest information in pediatric, adolescent adult sleep disorders as well as current procedures and treatments in epilepsy will be discussed.

TARGET AUDIENCE

This program is designed to meet the educational needs of Internal Medicine, Family Medicine Physician, Pediatric, Preventative Medicine, Psychiatry, Neurology, and Neurosurgery Physicians. Target audience also includes Nurses, Respiratory Therapists, Sleep Technologists, EEG Technologists, ARNP’s.

LEARNING OBJECTIVES

As a result of participating in this activity, the learner should be able to:
1. Explain the impact of sleep disorders on chronic diseases.
2. Explain the impact of sleep disorders on many quality of life indicators.
3. Evaluate various sleep problems across the age groups.
4. Recognize the relationship between psychiatric and sleep problems.
5. Accurately diagnose sleep problems commonly encountered in the sleep lab.
6. Explain the impact of seizure disorders on overall health.
7. List the most up to date surgical alternatives and procedures for the treatment of epilepsy.

COMPETENCIES

The competencies being addressed are patient care and procedural skills, medical knowledge, system-based practice, interpersonal and communication skills, and professionalism.

### SLEEP CLINICAL TRACK
- Diastolic Heart Dysfunction and Pulmonary Hypertension in Sleep Disorders – Shakrokh Javaheri, MD
- Advanced Titration Strategies for Heart Disease – Laura Wittine, MD

### EPILEPSY TECHNICAL TRACK
- CTLM Board Prep – Rebecca Clark, REEG
- Skin Injury Associated with cEEG Monitoring – John M. Crawford, REEG, RPSGT

### EPILEPSY CLINICAL TRACK
- Medical Marijuana – Sagarika Nallu, MD
- Update on Pharmacological Treatments in Epilepsy in Children – Jose Ferreria, MD

### LUNCH
- Update on Idiopathic Hypersomnia – David Rye, MD
- Five Biggest Blunders in the use of Sedatives/hypnotics – Lisa Whims- Squires, MD
- Dual Orexin Receptor Antagonists – An Alternative to Traditional Hypnotics for Insomnia in the Elderly Population – J. Roxanne Prichard, PhD
- Pediatric Epilepsy – Cindy Jenkins, REEG
- Isolette to Bassinet EEG’s Age Related Maturation Changes – Henry Coet, REEG

### BREAK

### The Psychological side of Epilepsy
- Pre Surgical Neuro Psyche Testing – Michael Schoenberg, PhD (USF)
- Psychiatric Management of Kids with Seizures – Karen Goldberg, MD

### The ROADBLOCK TO THE LUNGS
- Objectively Measuring Sleepiness – Daniel Schwartz, MD
- Bruxism and TM Joint AASM Update – Tara Griffin, DDS

### Epilepsy vs Non-Epileptic Seizures
- EEG Videos – Karen Thomas, REEG, RPSGT
- Neurmodulation in Epilepsy – VNS, RNS, and Variable Devices – Nancy T. Rodgers-Neame, MD

### Diagnostic Testing for Epilepsy
- SUDEP – Daniel Cabello, MD
- ILAE Seizure and Epilepsy Classification – Stephanie MaCliver, MD

**FACULTY DISCLOSURE**

USF Health adheres to the Accreditation Council for Continuing Medical Education (ACCME) standards regarding commercial support of continuing medical education. It is the policy of USF Health that the faculty and planning committee disclose real or apparent conflicts of interest relating to the topics of this educational activity, that relevant conflicts of interest are resolved, and also that speakers will disclose any unlabeled or unapproved use of drugs or devices during their presentation. Detailed disclosure will be made in the course syllabus.
ACCREDITATION

PHYSICIANS:

**ACCME**: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through a joint providership of USF Health and Tampa General Hospital, Florida Hospital, All Children’s Hospital and Baycare Health Systems. USF Health is accredited by the ACCME to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 13.00 *AMA PRA Category 1 Credit™*

PHYSICIAN ASSISTANTS:

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from ACCME accredited providers. Physician Assistants who participate will receive a certificate of completion commensurate with the extent of their participation.

ADVANCED NURSE PRACTITIONERS:

AANP accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from ACCME accredited providers. Nurse Practitioners who participate will receive a certificate of completion commensurate with the extent of their participation.

NURSES (FLORIDA BOARD OF NURSING):

USF Health is an approved provider of continuing education for nurses through FBN 50-2970. This program has been approved for 13.00 contact hours.

SLEEP TECHNOLOGISTS:

The American Association of Sleep Technologists (AAST) has approved the Current Concepts in Sleep and Epilepsy Conference for 15.00 AAST CECs. Program number 17B169.

NEURODIAGNOSTIC TECHNOLOGISTS

ASET - The Neurodiagnostic Society has approved this live activity for 13 ASET CEUs.

Respiratory Therapist:

Tampa General Hospital (Provider #50-1943) is an accredited provider by the multiple professional Florida Boards and Councils Served by CE Broker. This program is accredited for 16.4 contact hours.
