Henry Lee, Ph.D. and Michael Baden, M.D.

HOSTED AT >>> THE DEARBORN INN
DEARBORN, MICHIGAN

cme.med.wayne.edu
Michael Baden, MD
Former Chief Medical Examiner of New York City
Fox News Contributor for Forensic Science
Dr. Michael Baden is a board-certified, forensic pathologist. He was chairman of the Forensic Pathology Panel of the US Congress Select Committee on Assassinations that investigated the deaths of President John F. Kennedy and Dr. Martin Luther King, Jr. Dr. Baden has been involved as an expert in forensic pathology in many cases and trials of international interest including: Tsar Nicolas, Claus Von Bulow, Marlon Brando’s son, O.J. Simpson, Medgar Evers, Kobe Bryant, Robert Blake, the Twin Towers terrorist bombing and countless others.

Francisco J. Diaz, MD, FACP
Deputy Chief Medical Examiner
Office of the Chief Medical Examiner, Washington, DC
Dr. Diaz joined the Office of the Chief Medical Examiner in Wayne County, Michigan in 2001 as an Assistant Medical Examiner. In January 2012, Dr. Diaz was appointed to the faculty of the University of Michigan, Department of Pathology as Assistant Professor.
During his career, Dr. Diaz has performed more than 8500 autopsies and testified hundreds of times in circuit, district and federal courts. Dr. Diaz is the author of 35 peer-reviewed articles, abstracts, and presentations and has been invited on numerous occasions to speak at regional, national, and international conferences. He is board certified in Anatomic Pathology as well as Forensic Pathology. He is a fellow of the College of American Pathologists (CAP) and the National Association of Medical Examiners (NAME). After moving to Washington DC, Dr. Diaz was appointed to the faculty of George Washington University School of Medicine and Health Sciences and holds the rank of Assistant Professor.

Bryan Kastelic
Wisconsin Department of Justice,
Division of Criminal Investigation Special Agent
Task Force Commander Native American Drug & Gang Initiative
Bryan Kastelic is a Senior Special Agent with the Wisconsin Department of Justice, Division of Criminal Investigations. He serves as the Task Force Commander of the Native American Drug & Gang Initiative (NADGI) Task Force and as the Commander of the WI Joint Tactical Team. S/A Kastelic has served over 21 years in Law Enforcement in the roles of Narcotics Investigations, patrol, unified tactical trainer and tactical team assignments. S/A Kastelic is also a veteran of the US Army (Infantry) with 10 years active duty and national guard service.
Dr. Henry Lee is a legendary investigator, known for finding the tiniest clues. Over the past 40 years Dr. Lee has assisted in the investigations of more than 6,000 cases, including war crimes in Bosnia and Croatia, the suicide of President Clinton’s former White House attorney Vince Foster, O.J. Simpson, Kobe Bryant, Casey Anthony, the review of the JFK assassination, and the death of JonBenét Ramsey.

Dr. Spitz is the author of over 90 scientific publications, author and editor of the authoritative and celebrated textbook “Medicolegal Investigation of Death.” He served on the House Committee on Assassinations, investigating the assassination of President John F. Kennedy and Dr. Martin Luther King Jr. Dr. Spitz has served as an expert in many national cases including the California Night Stalker, Mary Jo Koepeckne, JonBenét Ramsey and O.J. Simpson.

Ms. Sutton is a private consultant in the field of bloodstain pattern analysis and a Distinguished Member of IABPA. She entered private practice after a career as the Assistant Director of Forensic Services and Director of Investigations for the Division of Forensic Pathology at the University of Tennessee, Memphis. In 1998, Ms. Sutton was certified by Professor MacDonell and the Institute on the Physical Significance of Human Bloodstain Evidence. Honors include the Lecturer of Merit Award and Distinguished Faculty Award from the National College of District Attorney and Outstanding Service Award from the FBI.
**TARGET AUDIENCE**

This program provides valuable training for any individual involved with death investigations: homicide investigators, criminalists, emergency medical service providers, evidence technicians, attorneys, prosecutors, medical examiners, coroners, traffic accident investigators, insurance adjusters, forensic nurses, clinical legal nurse consultants, private investigators and criminal justice professionals.

**COURSE OBJECTIVES**

Upon completion of this course, participants will have gained:

- Increased knowledge of crime scene investigation
- Understanding of the necessity of collaborative working relationships between the various professionals responsible for death investigations
- Greater understanding of forensic crime scene investigation
- Increased knowledge of bloodstain pattern analysis
- Improved understanding of the current trends in drug deaths
- Understanding of postmortem changes, time and cause of death
- Greater understanding of blunt and sharp injuries
- Improved knowledge of injuries by firearms
- Better ability to reconstruct crime scenes

**LOCATION**

The program will be held at The Dearborn Inn (a Marriott Hotel):

**Lodging**

Rooms have been reserved for participants at The Dearborn Inn. Our special convention rate is $171 single, double, triple or quad occupancy, plus 14% tax. Room reservations must be made online at www.marriott.com. Please enter **medmeda** into the “Group Code” box if not already entered (on the right under “Special Rates and Awards”) to receive the discounted housing rate. Housing deadline is Tuesday, April 23, 2019. If for some reason you need to cancel your hotel arrangements, your reservation must be canceled by 11:59 pm local time the day before check in. The full link may also be accessed at the CME website by clicking on the “Online Registration” button at cme.med.wayne.edu.

**REGISTRATION FEE**

The fee for this three day course is $495. Organizations paying for three or more registrations (at the same time) are allowed a $45 discount for each registrant (i.e., $450 per registrant). Per day rate is $250.

On-line registration is now available at cme.med.wayne.edu. Fee includes continental breakfasts, lunches, breaks, Wednesday evening reception and course materials. Payment may be made by purchase order, check, VISA or Mastercard by mail or fax. Discover and American Express may also be used when registering online.

**REFUND POLICY**

All requests for refunds must be made in writing by May 1, 2019. A 50% refund of the registration fee will be granted to all written requests received between May 1 and May 14, 2019.
**Program Schedule**

**Wednesday, May 15, 2019**

8:30 – 9:45 a.m.  **Medicolegal Cases I**
Werner U. Spitz, MD

9:45 – 10 a.m.  Q & A

10 – 10:30 a.m.  Break

10:30 a.m. – Noon  **Bloodspatter Pattern Analysis & Cases**
